

Commonly-Used ICD-10 Codes

The commonly-used ICD-10 diagnosis codes provided below are for informational purposes only. Always adhere to the coding policies recommended by your insurance carrier or billing specialist. It is the sole responsibility of the ordering provider to ensure compliance with all applicable laws, regulations, coverage decisions, policies, and contractual obligations that may govern coverage and payment for services performed. HealthTrackRx does not provide coding advice to providers. HealthTrackRx recommends that providers contact third-party payers directly to inquire about appropriate coding and billing policies related to the provision of medical items and services.
