Communication N4 Second Paper For June 2012

Antti Lange

Communication N4 Second Paper For June 2012:

Asylum - A Right Denied Helen O'Nions, 2016-04-15 In recent decades asylum has emerged as a highly politicized European issue The term asylum seeker has suffered a negative perception and has been associated with notions of illegality and criminality in mainstream media These misconceptions have been supported by politicians as a distraction from economic and political uncertainties with the result that asylum seekers have been deprived of significant rights This book examines the effect of recent attempts of harmonization on the identification and protection of refugees It considers the extent of obligations on the state to admit and protect refugees and examines the 1951 Refugee Convention The motivations of European legislators and legislation concerning asylum procedures and reception conditions are also analysed Proposals and initiatives for refugee movements and determinations are examined and assessed The author makes suggestions for better protection of refugees while responding to the security concerns of States and questions whether European law and policy is doing enough to uphold the fundamental right to seek and enjoy asylum as set out in the Universal Declaration of Human Rights This book takes a bold look at a controversial issue and generates discussion for those involved in the fields of human rights migrational and transnational studies law and society and international law *Research on Translator and Interpreter Training* Jackie Xiu Yan, Jun Pan, Honghua Wang, 2017-11-29 This book comprehensively examines the development of translator and interpreter training using bibliometric reviews of the state of the field and empirical studies on classroom practice It starts by introducing databases in bibliometric reviews and presents a detailed account of the reasons behind the project and its objectives as well as a description of the methods of constructing databases The introduction is followed by full scale review studies on various aspects of translator and interpreter training providing not only an overall picture of the research themes and methods but also valuable information on active authors institutions and countries in the subfields of translator training interpreter training and translator and interpreter training in general The book also compares publications from different subfields of research regions and journals to show the special features within this discipline Further it provides a series of empirical studies conducted by the authors covering a wide array of topics in translator and interpreter training with an emphasis on learner factors This collective volume with its unique perspective on bibliometric data and empirical studies highlights the latest development in the field of translator and interpreter training research The findings presented will help researchers trainers and practitioners to reflect on the important issues in the discipline and find possible new directions for future research Testing Software and Systems Brian Nielsen, Carsten Weise, 2012-11-14 This book constitutes the refereed proceedings of the 24th IFIP WG 6.1 International Conference on Testing Software and Systems ICTSS 2012 held in Aalborg Denmark in November 2012 The 16 revised full papers presented together with 2 invited talks were carefully selected from 48 submissions The papers are organized in topical sections on testing in practice test frameworks for distributed systems testing of embedded systems test optimization and new testing methods
