Emerging Issues and Prospects in African E-Government Sodhi, Inderjeet Singh, 2014-07-31 Efforts have been made toward the application of electronic government in the developing world yet questions of how to best implement governance systems and address concerns from officials and citizens alike remain to be answered *Emerging Issues and Prospects in African E Government* explores relevant practices trends and potential challenges facing fledgling governments in the digital era This book focuses on the establishment and maintenance of e government in various African countries providing critical insights for government bodies policymakers administrators and public sector researchers working in local state and national governments around the world

A Critical Analysis of Role of Print Media in the East Africa Community (EAC) Integration Consolata Mutisya, 2012-02 Research Paper postgraduate from the year 2011 in the subject Communications Print Media Press grade none course Communications language English abstract The purpose of this study was to establish the impact of print media on the East African Integration It was guided by five objectives which aimed at establishing the amount of coverage that print media gives to EAC issues determining the issues given priority by the print media as regards EAC establishing how print media frames issues related to EAC establishing the accuracy framing and balancing coverage of the East African Integration The literature review for the study focused on such things as the integration of the African continent in general The idea of integration has been encouraged by rapid spread of globalization which is forcing many countries of the world to come together to form regional blocks for closer cooperation in trade issues among others The agenda setting theory was advanced

to explain the role of print media in the integration process The study results validated all that is advocated by the agenda setting theory The study used content analysis as a survey design This entailed analyzing the contents of the articles dealing with East African Integration In general the study shows that the print media as presented by The East African has a positive influence on issues of integration Some of the articles published by the newspaper shows that trade the economy education infrastructure and the common market protocol have benefited a lot from integration efforts

Theorizing Black Feminisms Stanlie Myrise James, Abena P. A. Busia, 1993 Theorizing Black Feminisms outlines some of the crucial debates going on within contemporary Black Feminist activity In so doing it brings together a collection of some of the most exciting work by Black women scholars around It presents essays across a range of subjects literature sociology history political science anthropology and art amongst others And it refuses to be limited by notions of disciplinary boundaries or divisions between theory and practice Most importantly all the essays celebrate Black women's agency and their pragmatic activism

Political Thought and the Public Sphere in Tanzania Emma Hunter, 2015-04-27 Political Thought and the Public Sphere in Tanzania is a study of the interplay of vernacular and global languages of politics in the era of decolonization in Africa Decolonization is often understood as a moment when Western forms of political order were imposed on non Western societies but this book draws attention instead to debates over universal questions about the nature of politics concept of freedom and the meaning of citizenship These debates generated political narratives that were formed in dialogue with both global discourses and local political arguments The United Nations Trusteeship Territory of Tanganyika now mainland Tanzania serves as a compelling example of these processes Starting in 1945 and culminating with the Arusha Declaration of 1967 Emma Hunter explores political argument in Tanzania's public sphere to show how political narratives succeeded when they managed to combine promises of freedom with new forms of belonging at local and national level
