CHOICE OF LIGHT

1. Choice of light is a more mechanic of the raid. It's a buff you can claim from the pedestal.
2. Choice has a charge bar that appears in buff action. It fills up over time and speeds up when enemies are being killed near the choice holder.
3. When choice fills up completely, the holder will hear a sound cue and receive a 10-second **Enlightened in light** debuff. Holder should get rid of the choice until the timer runs out in order to survive.
4. Holder can get rid of the choice by preserving it in an active pedestal or by letting another player claim the choice from them.
5. If a fully charged choice is claimed by another player, as holder receives the **Enlightened** buff if the choice was taken before it's charged, as holder won't receive anything.
6. The **Enlightened** buff can be used in multiple ways throughout the raid. **Enlightened** players cannot pick up the choice anymore.
7. When a player spends their **Enlightened** buff, they will receive a 45-second **Drained of light** debuff that prevents from picking up the choice.
8. If a player preserves the choice in a pedestal, they will also get **Drained of light** debuff, regardless if it was charged or not.
9. If a choice holder dies, it will drop on the ground for a short time and can be picked up again. If not, it will then teleport to the last pedestal it has been on.

DESCEND INTO THE HELLMOUTH

1. Make one player **Enlightened**. They will spend that buff to activate the bridge plate. At least one player must stay on the plate to form the bridge.
2. You can accelerate the process by depositing more **Enlightened** buffs into the plate.

BONUS DEEPLIGHT WEAPON CHEST

Look at the three pairs of fire statues. Remember which one in each pair is lit with green fire. You'll need to light up the matching statue in each pair throughout the raid.
