Fairchilde, 2019-02-25 Banishing binding cursing and hexing is considered manipulative magic by some but is perfectly acceptable by others The truth is it depends on how you feel about using this type of magic as well as why you feel you need to use what some call manipulative magic I believe that no one has the right to steal from you lie to you or disrupt your life negatively Being held emotional prisoner by another person is neither desirable nor is it healthy And it is up to you to end the onslaught So I believe there are times when this type of magic is not only justified but essential to survival That being said banishing binding cursing and hexing has to be done under the right circumstances and without malice Your intentions must come from a high place So once you have weighed all the consequences make your choices wisely as to how you conduct yourself while practicing your craft The
