Department of Homeland Security Appropriations for 2014 United States. Congress. House. Committee on Appropriations. Subcommittee on Homeland Security,2013 [Trade Services Directory & Guide](#) ,2008 *Customs Valuation and Transfer Pricing* Juan Martin Jovanovich,2016-04-24 Issues of transfer pricing have come to the fore in both international tax and customs regimes In particular the problem of how to apply the two systems of valuation to the same transaction is of widespread concern This well known book now in a fully updated second edition is a problem solving guide for professionals charged with valuating transactions in their client s or company s best interests Through detailed examination of relevant guidelines transfer pricing methodologies and business realities prevailing among multinational

enterprises it offers a cogent and convincing account of how tax and customs transfer pricing regimes may be harmonized Among other essential elements the author discusses in depth the OECD Transfer Pricing Guidelines the GATT WTO Customs Valuation Code GVC and other valuation rules in key jurisdictions and regional agreements the OECD and UN model tax conventions the arm's length principle methods both traditional and new of determining whether the parties' relationship influenced the price and additions to and deductions from the customs value This second edition discusses new developments in the field including a chapter on Commentary 23.1 and Case Study 14.1 of the Technical Committee on Customs Valuation of the World Customs Organization WCO the first international instruments linking transfer pricing and customs valuation The book concludes with an analysis of the circumstances and conditions under which the introduction of transfer pricing year-end adjustments to transaction value would be consistent with Article 1 of the GVC The book will continue to provide practitioners customs administrations and academics with a highly practical analysis of the intersection of transfer pricing and customs valuation It will be welcomed by customs administrations charged with examining the acceptability of a transaction value fixed between related parties and by multinational companies as a truly actionable tool they can use to optimize decision making as it relates to transfer pricing and customs valuation in a real world setting
