Arts Integration Merryl Goldberg, 2016-07-07 Practical and engaging Merryl Goldberg's popular guide to integrating the arts throughout the K-12 curriculum blends contemporary theory with classroom practice. Beyond teaching about the arts as a subject in and of itself, the text explains how teachers may integrate the arts literary media visual and performing throughout subject area curriculum and provides a multitude of strategies and examples. Promoting ways to develop children's creativity and critical thinking while also developing communications skills and fostering collaborative opportunities, it looks at assessment and the arts engaging English Language Learners and using the arts to teach academic skills. This text is ideal as a primer on arts integration and a foundational support for teaching learning and assessment especially within the context of multicultural and multilingual classrooms. In depth discussions of the role of arts integration in meeting the goals of Title I programs including academic achievement student engagement school climate and parental involvement are woven throughout the text as is the role of the arts in meeting state and federal student achievement standards. Changes in the 5th Edition: New chapter on arts as text arts integration and arts education and their place within the context of teaching and learning in multiple subject classrooms in multicultural and multilingual settings. Title I and arts integration focus on student academic achievement student engagement school climate and parental involvement the 4 cornerstones of Title I. Attention to the National Core Arts Standards as well as their relationship to other standardized tests and arts integration more and more recent research based studies integrated throughout. Examples of how to plan arts integrated lessons using backward design along with more examples from classrooms. Updated references examples and lesson plans units.
