Deployment Mary S Seduction:

Consent Pamela Susan Haag, 2018-09-05 Whom over the past two centuries has society construed as sexual victims Where and when did the notion of consent so crucial for law and politics today emerge In this brilliantly insightful work Pamela Susan Haag traces the evolution of public wisdom on some of society's most private and controversial matters At once an investigation of social history popular culture legal doctrine and political theory her book shows how in contemporary America the history of sexual rights is inextricably intertwined with that of liberalism Haag examines the nineteenth century obsession with the perils of seduction and twentieth century disputes over white slavery arranged marriages interracial relationships and rape The history of heterosexual modernity and identity must she argues be viewed as a crucial component of a much larger historical narrative that of the ways in which individual freedom and citizenship have been continually redefined in American liberal culture She illuminates the development of liberalism from its classic stage that ended after the post Reconstruction era to a modern version that came to fruition with the judicial acceptance of the right to privacy Finally she shows how debates over the meaning of heterosexual consent and violence contributed to this transformation

Fictions of Female Adultery 1684-1890 B. Overton, 2002-09-06 Women's adultery provides many of the plots that run through nineteenth century European fiction This book discusses how novels of adultery have been theorized argues its own theoretical perspective and analyzes two circumtexts of the fiction of female adultery its pre history in eighteenth century Britain and its decline during the Naturalist period in France It is the first dedicated study of the theory of the novel of adultery and of the representation of adultery in earlier British and later nineteenth century French fiction

M. Tonkin, 2015-12-17 By reading key Carter texts alongside their Decadent intertexts Tonkin interrogates the claim that Carter was in thrall to a fetishistic aesthetic antithetical to her feminism Through historical contextualization of the woman as doll muse and femme fatale Tonkin tests Carter's own description of her fiction as a form of literary criticism **Edna O'Brien** Amanda Greenwood, 2003 Amanda Greenwood examines Edna O'Brien's representations of women in Ireland and beyond The author focuses on issues of femininity masculinity and the problems of terrorism decolonisation and abortion law as discussed and elaborated upon by O'Brien in her writings **The Painter's Touch** Ewa Lajer-Burchard, 2018-01-08 A new interpretation of the development of artistic modernity in eighteenth century France What can be gained from

considering a painting not only as an image but also a material object How does the painter's own experience of the process of making matter for our understanding of both the painting and its maker The Painter's Touch addresses these questions to offer a radical reinterpretation of three paradigmatic French painters of the eighteenth century In this beautifully illustrated book Ewa Lajer Burcharth provides close readings of the works of François Boucher Jean Sim on Chardin and Jean Honor Fragonard entirely recasting our understanding of these painters practice Using the notion of touch she examines the implications of their strategic investment in materiality and sheds light on the distinct contribution of painting to the culture of the Enlightenment Lajer Burcharth traces how the distinct logic of these painters work the operation of surface in Boucher the deep materiality of Chardin and the dynamic morphological structure in Fragonard contributed to the formation of artistic identity Through the notion of touch she repositions these painters in the artistic culture of their time shifting attention from institutions such as the academy and the Salon to the realms of the market the medium and the body Lajer Burcharth analyzes Boucher's commercial tact Chardin's interiorized craft and Fragonard's materialization of eros Foregrounding the question of experience that of the painters and of the people they represent she shows how painting as a medium contributed to the Enlightenment's discourse on the self in both its individual and social functions By examining what paintings actually say in brushstrokes texture and paint The Painter's Touch transforms our understanding of the role of painting in the emergence of modernity and provides new readings of some of the most important and beloved works of art of the era
