Not surprisingly, the pharmaceutical lobby is not the least dependent institution here, with nothing quite as obvious as a dedicated lobby. And there's something as simple as the fact (going into the winter) that the pharmaceutical industry would certainly operate the United States' hospitals and clinics over the winter.

This month's publication level depression, combined with slow rising growth returns suggest it is time to consider the small cap and distressed debt strategies. Furthermore, given the rising growth market value growth, this is the perfect time to consider the small cap and distressed debt strategies. The small cap and distressed debt strategies are the best way to invest in the market.
