Kj3 Literal Translation New Testament, 2006-11 This is what the King James Version was meant to be an exact word for word translation of the Hebrew and Greek texts This title indicates that this new Bible is an exact literal word for word translation of the Masoretic Hebrew Text and the Greek Received Text Textus Receptus the main texts used by the Authorised King James Version translators Certainly you will want to know all the truths that God has written in the original Hebrew and Greek languages for it is truth that has the power to set you free And you will know the truth and the truth will set you free John 8 32 The difference between the KJ3 Bible and all other English versions ever created in the past is this This version contains all of God s words as He wrote them Note that God has commanded this several times See Deuteronomy 4.2 12 32 Proverbs 30 6 Revelation 22 18 19 KJ3 LITV You shall not add onto the Word I command you neither shall you take away from it to keep the commandments which I have commanded you When a version adds words to the words that God breathed out or fails to translate what God has written and hides from the reader what they have added or subtracted from God's word they are deceiving the reader by in effect saying These are the words that God wrote when the truth is that God did not write many of the words that they have put into their Bibles This is especially grievous in the Bibles that use Dynamic Equivalence as their translation methodology Basically Dynamic Equivalence is storytelling or a short commentary of what God has breathed out to us The alleged translator reads a passage of the Bible in its native language Greek or Hebrew perceives or interprets the meaning and writes in his own words what the alleged translator believes the Bible is saying There is no effort to translate each word of the Hebrew or Greek This new KJ3 version is the version that lovers of God and His Word can safely use with the approval of God You and every person will be judged by ALL of the words that God has written Add to this that God wrote in grammatical forms nouns verbs adjectives adverbs etc Our Lord Jesus was always careful to keep the grammar of the Old Testament words He quoted in the New Testament No other Bible version has ever strictly given the reader these grammatical forms as God has written them The worst mistranslations Lord for the divine name I am Jehovah that is my name God's name is mistranslated more than 6 000 times Every nation had their lords but only Israel had Jehovah as their God All other countries were the nations In the New Testament Gentiles is falsely put for the nations Church is a word God never wrote instead he called the meeting place the assembly both in the New and Old Testament The children of Israel never existed as such for the word for sons is badly translated as children In many versions this occurs more than 500 times Dead is either an adjective dead ones or a verb to die e g he has died Also put to death is from this verb and most often translated as cause to die Usually with most translations which have the same verb twice one of the verbs will be replaced with an adverb Only by going back to the each and every word of the Hebrew and Greek manuscripts can we ever attempt to have the purest translation This is what we have tried to do with the KJ3 Bible Literal Translation of the Bible Holy Bible - Kj3 Literal Translation Jay Patrick Green, 2010-12 Green presents the fourth edition
