## **Diary Of A Little Girl In Old New York:**

*Diary of a Little Girl in Old New York* Catherine Elizabeth Havens, 1920 Diary written by a 10 year old girl when she lived on Ninth Street in 19th century New York      Diary of a Little Girl in Old New York Catherine Elizabeth Havens, 2015-01-04  
Diary of a Little Girl in Old New York By Catherine Elizabeth Havens      **Diary of a Little Girl in Old New York** Catherine E. Havens, 2001 This diary describes the memories of the author as a ten year old girl growing up in New York City from August 1849 through June 1850 She relates wonderful stories of people and places of old New York as seen through the eyes of a child      **Diary of a Little Girl in Old New York** Catherine Elizabeth Havens, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt July 15 I have not written in my diary for ever so long but now school has just closed for the summer and I have more time We had a new study last winter something to strengthen our memories The teacher was a Miss Peabody from Boston and she has a sister married to a Mr Nathaniel Hawthorne who writes beautiful stories We had charts to paint on and stayed after school to paint them and one half of the page was a country and the other half was for the people who lived in that country and the country was painted one color and the people another color and this is the way it will help us to remember for Mesopotamia was yellow and Abraham who lived there was royal purple and so I shall never forget that he lived in Mesopotamia but I may not remember after all which was yellow the man or the country but I don t suppose that is really any matter as long as I don t forget where he lived We did not study it long but it was fun to stay and paint after school Professor Hume teaches us natural science and every Wednesday he lectures to us and one day he brought the eye of an ox and took it all apart and showed us how it was like our own eyes And another time he brought an electric battery and we joined our hands ever so many of us and the end girl took hold of the handle of the battery and we all felt the shock and it tingled and pricked Sometimes he talks on chemistry and brings glass jars and pours different things into them and makes beautiful colors He told us we could always remember the seven colors of the rainbow by the word vibgyor Professor Edwardes has been teaching us French He is a little bit of a man with a big head and gray hair and a broken nose and when he recites one of La Fontaine s Fables      Diary of a Little Girl in Old New York (Classic Reprint) Catherine Elizabeth Havens, 2016-06-25 Excerpt from Diary of a Little Girl in Old New York I think there are many New Yorkers who like myself have spent most Of a long life in this delightful old town that love to go back in memory to the quaint little city Of their childhood which has so completely disappeared in the great metropolitan community of to day Perhaps this little book which is a faithful record of events as seen by childhood eyes and recorded in childhood fashion may give an hour or two of pleasure to old friends of the city far and near and although they may not any more see the tree embowered streets Of long ago and the little two story brick houses with their dormer windows and slanting roofs that used to line both sides of the street the author hopes that these pages may bring back some of the scenes they were

familiar with and help to renew in spirit at least some of the Old friendships and affections they enjoyed when the heart was young About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Diary of a Little Girl in Old New York** Catherine Havens,2020-04-16 From the

Foreword Perhaps this little book which is a faithful record of events as seen by childhood eyes and recorded in childhood fashion may give an hour or two of pleasure to old friends of the city far and near and although they may not anymore see the tree embowered streets of long ago and the little two story brick houses with their dormer windows and slanting roofs that used to line both sides of the street the author hopes that these pages may bring back some of the scenes they were familiar with and help to renew in spirit at least some of the old friendships and affections they enjoyed when the heart was young

*Family Life in 19th-Century America* James M. Volo,Dorothy Volo,2007-08-30 Nineteenth century families had to deal with enormous changes in almost all of life s categories The first generation of nineteenth century Americans was generally anxious to remove the Anglo from their Anglo Americanism The generation that grew up in Jacksonian America matured during a period of nationalism egalitarianism and widespread reformism Finally the generation of the pre war decades was innately diverse in terms of their ethnic backgrounds employment social class education language customs and religion Americans were acutely aware of the need to create a stable and cohesive society firmly founded on the family and traditional family values Yet the people of America were among the most mobile and diverse on earth Geographically socially and economically Americans and those immigrants who wished to be Americans were dedicated to change movement and progress This dichotomy between tradition and change may have been the most durable and common of American traits and it was a difficult quality to circumvent when trying to form a unified national persona Volumes in the *Family Life in America* series focus on the day to day lives and roles of families throughout history The roles of all family members are defined and information on daily family life the role of the family in society and the ever changing definition of family are discussed Discussion of the nuclear family single parent homes foster and adoptive families stepfamilies and gay and lesbian families are included where appropriate Topics such as meal planning homes entertainment and celebrations are discussed along with larger social issues that originate in the home like domestic violence child abuse and neglect and divorce Ideal for students and general readers alike books in this series bring the history of everyday people to life      *New York History*

Alexander Clarence Flick,1920      **Proceedings of the New York State Historical Association with the Quarterly Journal** New York State Historical Association,1923      *No Ordinary Lives* Marilyn Seguin,2009 The diaries in this collection include the writings of four young people between the ages of twelve and twenty a boy growing up on a lake in Maine a sea captain s daughter a Shaker farm boy and a daughter raised by a single mom What can we discover from these diaries Readers may be surprised for example by the technology available to Delmer Wilson in the Shaker community in 1887 Because all these diaries were produced during the writers developmental years teachers and young readers may find comments about school and growing up issues to be of some interest Young readers will also want to compare teenage life today with that of the past Some teenage girls of today may find that their pastimes don t differ all that much from those of Ethel Godfrey in 1894 And like Augusta Skolfield how many of us have gazed up at a bright moon and thought about that same light shining on loved ones far away Readers will find the personalities themselves of great interest Nat Hathorne f

## **Diary Of A Little Girl In Old New York Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Diary Of A Little Girl In Old New York has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Diary Of A Little Girl In Old New York has opened up a world of possibilities. Downloading Diary Of A Little Girl In Old New York provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Diary Of A Little Girl In Old New York has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Diary Of A Little Girl In Old New York. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Diary Of A Little Girl In Old New York. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Diary Of A Little Girl In Old New York, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Diary Of A Little Girl In Old New York has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
