Died In The Wool Torie O Shea Mysteries:

Died In the Wool Rett MacPherson, 2014-12-30 With the Garden Club's First Annual Rose Show right around the corner and a historic house up for sale Torie O Shea mother of three and president of the historical society in New Kassel Missouri has her hands full Nosy by nature Torie can't help but poke around the old Kendall house rumored to contain rare Civil War artifacts and even rarer quilts that would make fantastic additions to the historic Gaheimer House that Torie runs But why stop there when the house itself would make such a wonderful addition to New Kassel's historical homes It could even become a textile museum Sadly the house's history is as tragic as it is rich In the 1920s three twenty something siblings committed suicide and the more Torie uncovers the more involved she becomes Her curiosity draws her into some dark places but it's a present day crime that sends her racing to unravel exactly what happened to those three siblings before anyone turns up dead The brilliant patchwork of characters and tightly stitched plots in Rett MacPherson's *Died in the Wool* will delight fans of this terrific series and win over new ones *Mystery Women, Volume Three (Revised)* Colleen

Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **A Misty Mourning** Rett MacPherson, 2025-09-23 A

comical blend of history and homicide *A Misty Mourning* is another delightfully witty entry in Rett MacPherson's popular cozy series This time genealogist and amateur sleuth Torie O Shea inherits a murder mystery A ten hour car trip with your eighty year old grandmother is never much fun especially if you're seven months pregnant But when Torie O Shea's longtime family friend Clarissa Hart Campbell insists that she and Grandma Gert come for a visit at her West Virginia boarding house they just can't say no to the 101 year old dynamo Upon their arrival Torie and Gert find Clarissa has called together her

entire family for the reading of her new will But everything s happening too fast even for Clari the next morning she s found murdered in bed The new will stands and her lawyer follows through on the old woman s wishes to settle an eighty year old debt to Torie s great grandmother The Panther Run Boarding House now belongs to Torie Mystified Torie must put her genealogy skills to work to determine what secrets worth killing for may be hiding in the dilapidated boarding house and the Campbell family story before it s too late *Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007* Jeff Herman,2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents **The Publishers Weekly** ,2007

Dead Man Running Rett MacPherson,2007-04-01 Indefatigable Torie may irk her men but her exploits do keep you amused Kirkus Reviews Torie O Shea has her hands full Aside from her new duties as president of the Historical Society in New Kassel Missouri and her interest in genealogy she s having a new house built coordinating the town s Oktoberfest and coping with her teenage daughter who s beginning to date Then at the request of a local journalist Torie takes on an assignment to research the families of her hometown s two mayoral candidates incumbent Bill Castlereagh and his challenger Sheriff Colin Brooke who happens to be Torie s step father Before she can get anywhere on the politicians genealogies though a body turns up and spoils the Oktoberfest parade Sheriff Brooke discovers some disturbing information about the dead man Meanwhile Torie s research into Castlereagh s genealogy is turning up more questions than answers As the case unravels the mayor flees town and Torie is left with a shocking discovery that might lead to her own demise Once again Rett MacPherson s charming characters and twisting plot keep the town of New Kassel and the reader on edge making **Dead Man Running** a delightful addition to the Torie O Shea series **Contemporary Authors New Revision Series**
