**Frank Moore**

## **Desertion A Novel Of The American Civil War:**

Desertion During the Civil War (Abridged, Annotated) Ella Lonn, 2016-12-22 This is the great classic work on desertions during the American Civil War While you might be forgiven for expecting a dry recitation of statistics it is a fascinating look at the problems and realities of deserters for both sides during the conflict Dr Lonn looks at the reasons for desertion how deserters were hunted how they hid and how they were used by the enemy among other topics She even covers the places where hundreds of deserters banded together into criminal enterprises A huge drain for the Union and the Confederacy the overall impact on both is examined here Throughout Lonn tells the story like a novelist despite including important statistics Every examination of the American Civil War provides us with another view of the catastrophe that changed the country forever

**More Damning Than Slaughter** Mark A. Weitz, 2005-01-01 Coupled with problems such as speculation food and clothing shortages conscription taxation and a pervasive focus on the protection of local interests desertion started as a military problem and spilled over into the civilian world Fostered by a military culture that treated absenteeism leniently early in the war desertion steadily increased and by 1863 reached epidemic proportions A Union policy that permitted Confederate deserters to swear allegiance to the Union and then return home encouraged desertion Equally important in persuading men to desert was the direct appeal from loved ones on the home front letters from wives begging soldiers to come home for harvests births and other events

**Desertion During the Civil War** Ella Lonn, 1998-01-01 Desertion during the Civil War originally published in 1928 remains the only book length treatment of its subject Ella Lonn examines the causes and consequences of desertion from both the Northern and Southern armies Drawing on official war records she notes that one in seven enlisted Union soldiers and one in nine Confederate soldiers deserted Lonn discusses many reasons for desertion common to both armies among them lack of such necessities as food clothing and equipment weariness and discouragement noncommitment and resentment of coercion and worry about loved ones at home Some Confederate deserters turned outlaw joining ruffian bands in the South Peculiar to the North was the evil of bounty jumping Captured deserters generally were not shot or hanged because manpower was so precious Moving beyond means of dealing with absconders Lonn considers the effects of their action Absenteeism from the ranks cost the North victories and prolonged the war even as the South was increasingly hurt by defections This book makes vivid a human phenomenon produced by a tragic time

*Encyclopedia of the Novel* Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component

of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

**History of the Civil War in America: book 1. The American army. book 2. Secession. book 3. The first conflict. book 4. The first autumn. book 5. **Women in the American Civil War** Lisa . Tendrich Frank,2007-12-03 This fascinating work tells the untold story of the role of women in the Civil War from battlefield to home front Most Americans can name famous generals and notable battles from the Civil War With rare exception they know neither the women of that war nor their part in it Yet as this encyclopedia demonstrates women played a critical role The book s 400 A Z entries focus on specific people organizations issues and battles and a dozen contextual essays provide detailed information about the social political and family issues that shaped women s lives during the Civil War era Women in the American Civil War satisfies a growing interest in this topic Readers will learn how the Civil War became a vehicle for expanding the role of women in society Representing the work of more than 100 scholars this book treats in depth all aspects of the previously untold story of women in the Civil War

History of the Civil War in America: book 1. Eastern Tennessee. book 2. Siege of Chattanooga. book 3. The third winter. book 4. The war in the South-west Louis-Philippe-Albert d'Orléans comte de Paris,1888

The Story of a Confederate Boy in the Civil War David Emmons Johnston,1914

A Higher Duty Mark A. Weitz,2005-12-01 This book addresses the most important issues associated with Confederate desertion How many soldiers actually deserted when did they desert and why What does Confederate desertion say about Confederate nationalism

and the war effort Mark A Weitz has taken his argument beyond the obvious reasons for desertion that war is a horrific and cruel experience and examined the emotional and psychological reasons that might induce a soldier to desert Just as loyalty to his fellow soldiers might influence a man to charge into a hail of lead loyalty to his wife and family could also lead him to risk a firing squad in order to return home      **The Deserter** Richard Harding Davis,2021-07-05 This book has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable      The Civil War in Song and Story, 1860-1865 Frank Moore,1889      **The American Political Science Review** ,1927 American Political Science Review APSR is the longest running publication of the American Political Science Association APSA It features research from all fields of political science and contains an extensive book review section of the discipline      A Categorical Analysis of Desertion During the American Civil War Eric J. Kalata,1992      America's Civil War ,1991      *American Monthly Review of Reviews* Albert Shaw,1929
