Design Your Life The Pleasures And Perils Of Everyday Things:

Design Your Life Ellen Lupton, Julia Lupton, Julia Reinhard Lupton, 2009-05-12 Examining such topics as housekeeping entertaining parenthood time management D I Y and more shows you how to evaluate the things you use and how to recognize the forms of order that inhabit the messes of everyday life [The Routledge Handbook of Material Culture in Early Modern Europe](#) Catherine Richardson, Tara Hamling, David Gaimster, 2016-09-13 The Routledge Handbook of Material Culture in Early Modern Europe marks the arrival of early modern material culture studies as a vibrant fully established field of multi disciplinary research The volume provides a rounded accessible collection of work on the nature and significance of materiality in early modern Europe a term that embraces a vast range of objects as well as addressing a wide variety of human interactions with their physical environments This stimulating view of materiality is distinctive in asking questions about the whole material world as a context for lived experience and the book considers material interactions at all social levels There are 27 chapters by leading experts as well as 13 feature object studies to highlight specific items that have survived from this period defined broadly as c 1500 c 1800 These contributions explore the things people acquired owned treasured displayed and discarded the spaces in which people used and thought about things the social relationships which cluster around goods between producers vendors and consumers of various kinds and the way knowledge travels around those circuits of connection The content also engages with wider issues such as the relationship between public and private life the changing connections between the sacred and the profane or the effects of gender and social status upon lived experience Constructed as an accessible wide ranging guide to research practice the book describes and represents the methods which have been developed within various disciplines for analysing pre modern material culture It comprises four sections which open up the approaches of various disciplines to non specialists Definitions disciplines new directions Contexts and categories Object studies and Material culture in action This volume addresses the need for sustained coherent comment on the state breadth and potential of this lively new field including the work of historians art historians museum curators archaeologists social scientists and literary scholars It consolidates and communicates recent developments and considers how we might take forward a multi disciplinary research agenda for the study of material culture in periods before the mass production of goods [Finding Augusta](#) Heidi Rae Cooley, 2014-03-04 Finding Augusta breaks new ground revising how media studies interpret the relationship between our bodies and technology This is a challenging exploration of how for both good and ill the sudden ubiquity of mobile devices GPS systems haptic technologies and other forms of media alter individuals experience of their bodies and shape the social collective The author succeeds in problematizing the most salient fact of contemporary mobile media technologies namely that they have become like highways and plumbing an infrastructure that regulates habit Audacious in its originality Finding Augusta will be of great interest to art and media scholars alike

Thinking with Shakespeare Julia Reinhard Lupton, 2011-05-15 What is a person What company do people keep with

animals plants and things What are their rights To whom are they obligated Such questions bearing fundamentally on the shared meaning of politics and life animate Shakespearean drama yet their urgency has been obscured by historicist approaches to literature *Critiqued* Christina Beard,2013-10-18 FOREWORD BY ELLEN LUPTON Critiqued takes you on a journey with designer Christina Beard through an iterative design experiment With her poster in tow she meets with leading designers writers and curators At each stop the participant critiques the poster and talks about his or her own design process Based on their conversation Christina redesigns the poster before heading to the next critique a process similar to the children s game telephone This book is not about learning new software or being told how to do something it s about exploring and discovering an approach to design that works for you The experiment is presented as part memoir and part interview and gives readers insight into each designer s process and personality Each chapter features a design prompt for readers to explore 23 distinct approaches in design and to compare multiple perspectives Visit the companion website for additional information <http://critiquedthebook.com> *Shakespeare and the Urgency of Now* C.
