The Gospel According to Starbucks Leonard Sweet, 2008-05-20 Leonard Sweet shows you how the passion that Starbucks has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in *The Gospel According to Starbucks*. You don't stand in line at Starbucks just to buy a cup of coffee. You stop for the experience surrounding the cup of coffee. Too many of us line up for God out of duty or guilt. We completely miss the warmth and richness of the experience of living with God. If we'd learn to see what God is doing on earth, we could participate fully in the irresistible life that he offers. You can learn to pay attention like never before to identify where God is already in business right in your neighborhood. The doors are open and the coffee is brewing. God is serving the refreshing antidote to the unsatisfying arms-length spiritual life and he won't even make you stand in line. **Onward** Howard Schultz, Joanne Gordon, 2012-03-27 In this #1 New York Times bestseller, the CEO of Starbucks recounts the story and leadership lessons behind the global coffee company's comeback and continued success. In 2008, Howard Schultz decided to return as the CEO of Starbucks to help restore its financial health and bring the company back to its core values. In *Onward*, he shares this remarkable story, revealing how during one of the most tumultuous economic periods in American history, Starbucks again achieved profitability and sustainability without sacrificing humanity. Offering you a snapshot of the recession that left no company unscathed, the book shows in riveting detail how one company struggled and recreated itself in the midst of it all. In addition, you'll get an inside look into Schultz's central leadership philosophy. It's not about winning; it's about the right way to win. *Onward* is a compelling, candid narrative documenting the maturing of a brand as well as a businessman. Ultimately, Schultz gives you a sense of hope that no matter how tough times get, the future can be more successful than the past.
