It isn't every financial executive who can seamlessly shift gears to help lead through the chaos while integrating merging companies, to turnaround an underperforming business unit, or to lead a cross-disciplinary strategic initiatives team. But this is a primary part of Joseph Ellis' signature offering: he is differentiated by an uncommon complement of financial management expertise combined with strong business acumen, allowing him to view a business with a wide lens then narrow down to connect the dots, identify business drivers, understand complex issues, take action, and drive results.

Having recently completed an interim co-CFO assignment, Joseph Ellis is currently the SVP of Central Finance, Treasury, and M&A with Global Travel, Inc., a multibillion-dollar global enterprise recognized as one of the world's largest hotel and leisure companies with nine brands, 175,000+ employees, and 1,350 properties spanning 100 countries. Joseph joined Global Travel in 1998 at its inception, just after the company had completed the acquisition of

two major, global brands, and he played a significant leadership role in integrating the financial and corporate planning functions of the three companies.

Advancing through a series of eight promotions since then, Joseph's leadership has expanded beyond the boundaries of a traditional financial executive and he has led many strategic initiatives that have had positive impact on multiple business areas, driving down costs, increasing revenue, and improving overall performance of various business units. Joseph has evaluated and played a leadership role in many transactions for the company, including dispositions as well as potential acquisitions and spin offs, most with values ranging from \$1 billion to \$10 billion. Most recently, as an interim co-CFO, he worked with the CEO and Board of Directors to develop a new leverage policy and share repurchase strategy, along with a financing strategy to deliver the objectives, including implementing a commercial paper program and issuing bonds.

Previously, Joseph Ellis worked as a controller/finance manager for a small company during a period of rapid growth in which the company added tens of millions of dollars in new annual revenue. Joseph began his career as a CPA and auditor with Dunn & Pointer.

Joseph Ellis earned his B.S. degree in 1992 with a finance/accounting major and passed his CPA exam in 1994.

Joseph lives in Denver, Colorado where he and his wife of 24 years have raised their son and two daughters. He is active in the community and has served as a coach for baseball, soccer, and softball. In his personal time, Joseph enjoys golfing and fishing and is training for his first full marathon. He can be reached at 555-555-5555 or josephellis@email.net and invites connections at www.linkedin.com/in/josephellis.
