manuals are natural companions to its model specific repair manuals These manuals offer more in depth and specialized automotive information on specific operation systems Written especially for the do it yourselfer these manuals deal with topics such as air conditioning automatic transmissions engine rebuilding and power accessories Each system is fully covered for all manufacturers and model years indicated They serve the needs of the dedicated do it your selfer For each system these manuals provide fundamentals theory troubleshooting detailed diagnostics and overhaul procedures As always the Chilton name is your customer s guarantee of comprehensive information and reliability **Manuals Combined: 150+**
