Day Trading: From Beginner to Pro with Day Trading Made Easy Automated Software James Viscuglia II, 2025-04-13 Day trading is a skill, but in today's markets, speed matters more than ever. After 14 years in the trenches, I came to a realization: no human, no matter how experienced, can consistently out-trade a machine designed to read the market in milliseconds. That's why we built Trading Made Easy. Everything you've learned in this book, from understanding price action to managing risk, sets the foundation. But mastering day trading isn't just about learning

technical It s about knowing when to let go and let automation take over The markets don t care about your emotions and that s why most traders fail With automated trading you get discipline built into the system It doesn t hesitate It doesn t panic It sticks to the strategy every single time without exception I ve seen traders go from frustrated to free They trade 10 minutes a day Some just let it run and check back later They have their lives back That s the difference between struggling on your own and mastering trading through automation You ve read the steps Now it s time to take action Would you like me to continue and complete the next 6 7 pages or focus on one section at a time e g bio credits company profile next Mastering the Basics to Letting the Software Work for You Day trading is often seen as a high stress high stakes grind And for many it is Most traders spend years learning burning through accounts chasing strategies switching indicators and second guessing themselves You ve built a foundation most traders never achieve But that s just the beginning Real success in modern day trading isn t in beating the markets with brainpower it s in using tools that are faster and smarter than any human could be Why I Chose Automation I wanted freedom Trades on 30 second candles something no human can consistently do Built in trend recognition that adjusts in real time Entry and exit speeds faster than any manual click Emotionless execution never overtrades never second guesses Designed for beginners used by professionals This is not just software it s a shift in mindset You re no longer trying to outthink the market You re letting the machine work for you You re finally operating as a trading business not a gambler not a guesser Final Words From Mastering the Basics to Letting the Software Work for You Most traders spend years learning burning through accounts chasing strategies switching indicators and second guessing themselves I lived that life for nearly a decade What You ve Learned I wanted a system that trades while I go enjoy life not the other way around A system that reads the market in milliseconds trades on 30 second candlesticks and follows logic not fear not greed That s how Trading Made Easy was born Our global community across 10 countries who believed in the vision The development team behind the Q1 Software The clients who shared their success stories in our webinars My family especially Anastasia for being the reason behind this journey I wrote this book for you James Viscuglia is a 14 year veteran of the futures day trading industry Starting in manual trading he transitioned into building automation after realizing that emotion and delay were the two biggest reasons traders fail Daily live webinars Full installation and training Subscription based licensing Direct access to support and coaching Software for ES NQ CL and more **Online Investing For Dummies** Matthew Krantz,2019-08-07 Build a winning portfolio and reduce your risk with this bestselling guide Online investing has never been easier or more potentially confusing Now that every broker or finance site has its own app data or approach it can be all too easy to be misled and make a bad decision Online Investing for Dummies helps you reduce risk and separate the gimmicks from the gold pointing investors of all experience levels to the pro tips calculators databases useful sites and peer communities that will lead to success Updated to include information on mobile trading and the influence of social media on the markets the book also covers the basics showing you how to figure out how much to invest find data

online and pick an online broker It then progresses through to more advanced topics such as calculating returns selecting mutual funds buying bonds options commodities and IPOs taking you and your money wherever you want to go in the global market Set expectations and assess your risk Analyze stocks and financial statements Assemble the suite of tools to calculate your performance Get tips on choosing the right online broker and on protecting your information online It s time to get a pro strategy and Online Investing for Dummies has all the inside information you need to build up that winning portfolio
