Diario Del Rancheador:

Diario del rancheador Francisco Estévez, Cirilo Villaverde, 1982 **Literary Bondage** William Luis, 2014-05-23 In the nineteenth century the Cuban economy rested on the twin pillars of sugar and slaves Slavery was abolished in 1886 but one hundred years later Cuban authors were still writing antislavery narratives William Luis explores this seeming paradox in his groundbreaking study *Literary Bondage* asking why this literary genre has remained a viable means of expression Applying Foucault's theory of counter discourse to a vast body of antislavery literature Luis shows how these narratives have always served to undermine the foundations of slavery to protest the marginalized status of blacks in Cuban society and to rewrite the canon of acceptable history and literature He finds that emancipation did not end the need for such counter discourse and reveals how the antislavery narrative continues to provide a forum for voices that have been silenced by the dominant culture In addition to such well known works as Cecilia Valdés's *The Kingdom of This World* and *The Autobiography of a Runaway Slave* Luis draws on many literary works outside the familiar canon including Romualdo uno de tantos Aponte Sofía La familia Unzué El negrero and Los guerrilleros negros This comprehensive coverage raises important questions about the process of canon formation and brings to light Cuba's rich heritage of Afro Latin literature and culture **Boletín del Archivo Nacional**, 1992 *An Indelible History* Alejandro Casas, 2025-05-08 For centuries the religious landscape of the Caribbean has been examined through the lens of African and European influences often overlooking the full extent of the enduring contributions made by the region's first peoples *An Indelible History* challenges this historical omission offering the first comprehensive exploration of Amerindian religious influence on Afro Caribbean traditions with a particular focus on Palo Monte Drawing on historical archives oral traditions and decolonial theory Alejandro Casas unveils the hidden intersections between African derived religions and Amerindian spiritual beliefs and practices From sacred tobacco rituals to geomantic symbols and ancestral veneration this book repositions Indigenous Caribbean agency at the heart of the region's religious transformations More than a historical study *An Indelible History* reveals how these suppressed traditions persist adapt and continue to shape contemporary Afro Caribbean spirituality in ways often unrecognized By recovering these forgotten histories Casas not only rewrites the past but also redefines the present demonstrating how cultural memory and spiritual resilience endure across generations Deeply researched yet accessible *An Indelible History* reclaims a forgotten chapter of the Caribbean's spiritual past and highlights its lasting influence on Afro Caribbean religious traditions today This is a must read for scholars practitioners and anyone interested in the complex cultural entanglements that continue to shape Afro Caribbean religious traditions *Cecilia Valdés or El Ángel Hill* Cirilo Villaverde, 2005-09-29 Cecilia Valdés is arguably the most important novel of 19th century Cuba Originally published in New York City in 1882 Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century In this new English translation a vast landscape emerges of the moral political and sexual depravity caused by slavery and colonialism Set in the Havana of the 1830s the

novel introduces us to Cecilia a beautiful light skinned mulatta who is being pursued by the son of a Spanish slave trader named Leonardo Unbeknownst to the two they are the children of the same father Eventually Cecilia gives in to Leonardo s advances she becomes pregnant and gives birth to a baby girl When Leonardo who gets bored with Cecilia after a while agrees to marry a white upper class woman Cecilia vows revenge A mulatto friend and suitor of hers kills Leonardo and Cecilia is thrown into prison as an accessory to the crime For the contemporary reader Helen Lane s masterful translation of Cecilia Vald s opens a new window into the intricate problems of race relations in Cuba and the Caribbean There are the elite social circles of European and New World Whites the rich culture of the free people of color the class to which Cecilia herself belonged and then the slaves divided among themselves between those who were born in Africa and those who were born in the New World and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana Cecilia Vald s thus presents a vast portrait of sexual social and racial oppression and the lived experience of Spanish colonialism in Cuba
