

## Ramesses II Egyptian Empire

We great hero, oh great Ramesses, Pharaoh of Egypt, who causes the sun to rise and the Nile to flow, and who blesses his fortunate people with all the good things of life! Oh great lord, from time immemorial your people lived on the banks of the Nile river, where they brought writing to the world, and advanced mathematics, sculpture and architecture. Thousands of years ago they created the great monuments which still stand tall and proud.

Oh, Ramesses, for countless years your people have endured, as other petty nations around them have risen and then fallen into dust. They look to you to lead them once more into greatness. Can you honor the gods and bring Egypt back to her rightful place at the very center of the world? Can you build a civilization that will stand the test of time?
