**Social Prevention and the Social Sciences** Günter Albrecht, Hans-Uwe Otto, 2010-10-06 No detailed description available for Social Prevention and the Social Sciences     *Research Handbook on Public Financial Management* Komla Dzignbede, W. B. Hildreth, 2023-08-14 This scholarly Research Handbook captures key observations and analyses within the field of public financial management It offers much needed insights into possible future research ventures while presenting contemporary summaries of past studies in this ever evolving field     **An Attributional Theory of Motivation and Emotion** Bernard Weiner, 2012-12-06 For a long time I have had the gnawing desire to convey the broad motivational significance of the attributional conception that I have espoused and to present fully the argument that this framework has earned a rightful place alongside other leading theories of motivation Furthermore recent investigations have yielded insights into the attributional determinants of affect thus providing the impetus to embark upon a detailed discussion of emotion and to elucidate the relation between emotion and motivation from an attributional perspective The presentation of a unified theory of motivation and emotion is the goal of this book My more specific aims in the chapters to follow are to 1 Outline the basic principles that I believe characterize an adequate theory of motivation 2 Convey what I perceive to be the conceptual contributions of the perspective advocated by my colleagues and me 3 Summarize the empirical relations reach

some definitive conclusions and point out the more equivocal empirical associations based on hypotheses derived from our particular attribution theory and 4 Clarify questions that have been raised about this conception and provide new material for still further scrutiny In so doing the building blocks if any laid down by the attributional conception will be readily identified and unknown queries of present and future peers can then better determine the value of this scientific product
