JUDD | SWANSTROM

City Politics 8th Edition

Dennis R. Judd, Todd Swanstrom

City Politics 8th Edition:

Term Limits and the Modern Era of Municipal Reform Douglas Cantor, 2024-06-03 Term limits enjoy broad popularity among Americans yet scholarly literature has omitted two important questions from the study of municipal reform Why are term limits so popular and what are the causes of movements for term limits In this book Douglas Cantor exposes the causes of term limits at the local level of government to shed light on how and why the movement to adopt term limits came to exist Cantor begins his analysis by providing a history of term limits beginning with classical debates in Greek philosophy He describes the benefits of studying the causes of term limits and how term limits are a direct manifestation of older values rooted in the American traditions of municipal reform Part II examines 20 different municipalities across the continental United States that experienced a movement to implement term limits through a political campaign voter initiative or council led charter amendment Written to a common template and examining each case through the lens of the reform impulse Cantor argues that the institutional lineage of the Progressives namely council manager governments at large elections and nonpartisanship is largely responsible for movements to implement term limits somewhere in the United States in almost every election *Term Limits and the Modern Era of Municipal Reform* brings a new dimension to the Progressive era championing the study of local politics and its importance to understanding American politics

Guide to U.S. Political Parties Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States

Understanding Urban Politics Timothy B. Krebs, Arnold Fleischmann, 2020-02-17 In *Understanding Urban Politics* Institutions Representation and Policies Timothy B Krebs and Arnold Fleischmann introduce a framework that focuses on the role of institutions in establishing the political rules of the game the representativeness of city government the influence of participation in local democracy and how each of these features influences the adoption and implementation of public

policies Part 1 lays the groundwork for the rest of the book by exploring the many meanings of urban analyzing what local governments do and providing a history of American urban development Part 2 examines the organizations and procedures that are central to urban politics and policy making intergovernmental relations local legislatures and the local executive branch Part 3 looks at elections and voting local campaigns and non voting forms of participation The four chapters in Part 4 focus on the policy process and the delivery of local services local government finances Building the City economic development land use and housing and policies affecting the quality of life public safety the environment morality issues and urban amenities Krebs and Fleischmann bolster students learning and skills with guiding questions at the start of each chapter which ends with key terms a summary discussion questions and research exercises The appendix and website aid these efforts as does a website for instructors *City Politics* Dennis R. Judd,Todd Swanstrom,2012 Updated in its 8th Edition *City Politics* argues that the politics of growth the politics of governance and enclave politics are the three imperatives that dissolve the past and present into a singular continuous narrative Praised for the clarity of its writing careful research and distinctive theme that urban politics in the United States has evolved as a dynamic interaction among governmental power private actors and a politics of identity *City Politics* remains a classic study of urban politics

Managing Urban America Robert E. England,John P. Pelissero,David R. Morgan,2016-05-06 *Managing Urban America* guides students through the challenges politics and practice of urban management including managing conflict through politics adapting to demographic and social changes balancing budgets and delivering a myriad of goods and services to citizens in an efficient equitable and responsive manner The Eighth Edition has been thoroughly updated to include a discussion of the difficulties cities confront as they deal with the lingering economic challenges of the 2008 recession the concept of e government and how it affects the theory and practice of management and the implications of environmental issues for urban government management *City Politics, Pearson EText* Dennis R. Judd,2014 *Municipal Government and Administration*, William Bennett Munro,1923 **The United States Catalog** ,1925 **Library Books** Los Angeles Public Library,1915 **Check List of Bibliographies Relating to Municipal Government** Joseph Wright,1914
