The Almanac of American Employers 2007 Jack W. Plunkett, 2006-10 This book will help you sort through America's giant corporate employers to determine which may be the best for corporate employers to determine which may be the best for you or to see how your current employer compares to others. It has reference for growth and hiring plans, salaries and benefits, women and minority advancement, industries, locations and careers, and major trends affecting job seekers.

Plunkett's Retail Industry Almanac 2007 Jack W. Plunkett, 2006-12 No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes: superstores and giant discounters are popping up on major corners; malls are lagging while power centers are surging ahead. Savvy firms are combining bricks, clicks, and catalogs into multi-channel retail powerhouses. Which are the hottest retailers? What lies ahead? Our market research section shows you the trends and a thorough analysis of retail technologies, chain stores, shopping centers, mergers, finances, and future growth within the industry. Included are major statistical tables showing everything from monthly U.S. retail sales by sector to mall sales per square foot to the 10 largest malls in the U.S. Meanwhile, the corporate profiles section covering nearly 500 firms gives you complete profiles of the leading fastest-growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors, and job seekers most want to know about. These profiles include corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories, and up to 27 executive contacts by title. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles enabling export of vital corporate data for mail merge and other uses.

Cemeterians Jack W. Plunkett, 2008 Franklin Jack Marla Thadius and Caitlin this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job, no really, we mean any bloody job. Money's a bit tight right now. Trudge through disgusting sewers to battle manatee massacring mermaids and soggy cultists creep through creepy fog littered cemeteries straight out of an ancient Hammer Film soundstage. Confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other or at least quit fighting over the tele privilege schedule long enough to get the job done. Not likely.
