Civilian Master Unconditional Surrender:

Initiation by Fire Cassandra Carr, 2015-04-10 Can a man disappear forever and build himself a new life or will his past catch up with him Follow this 10 part serial throughout 2015 featuring Ethan aka Slapshot a hockey player whose life is ruined forcing him to disappear forever Ethan joins Underground a black ops organization and is trained as a deadly operative There he meets Ciana a woman with a dark past of her own As Ethan and his Underground colleagues embark on dangerous missions worldwide he finds a new purpose in life I have my first assignment helping track down a man targeting Cuban bodegas and then using an automatic rifle to massacre all those inside after they re attacked by a Cuban gang and his wife is killed Underground is tasked with figuring out who this dangerous man is and stopping him before he goes on another rampage Though I only play a small role in this first mission it s satisfying to know I helped find justice for all the innocent people the man has murdered Despite that I still find myself thinking about what I left behind as I learn more about what my parents did with my money and my former hockey team struggles to deal with my apparent death Guilt weighs me down and the rest of the team does their best to keep me focused on this new life Can they do that or will I snap under the pressure

Underground Boxed Set: parts 1-3 Cassandra Carr, 2015-04-14 Can a man disappear forever and build himself a new life or will his past catch up with him Follow this 10 part serial throughout 2015 featuring Ethan aka Slapshot a hockey player whose life is ruined forcing him to disappear forever Ethan joins Underground a black ops organization and is trained as a deadly operative There he meets Ciana a woman with a dark past of her own As Ethan and his Underground colleagues embark on dangerous missions worldwide he finds a new purpose in life Off the Grid Underground 1 The seemingly impossible has happened The unthinkable Those I trusted most have betrayed me I m a hockey player and gave control of my finances to my parents so I could concentrate on my game Big mistake They stole from me bankrupted me in fact And then someone came looking for money I don t have and I made a terrible mistake one that will haunt me forever But now someone has found me and offered a new start I would no longer be a hockey player I wouldn t even be an actual person totally off the grid I d be a shadow fighting crime for an organization that s underground literally Do I want that life If I go back what kind of life would I have Probably one in prison orange The choice to join Underground is painful but necessary As my hockey coach always said though pain is weakness leaving the body I will not be powerless ever again Creating Slapshot Underground 2 I ve left my old life behind and officially joined Underground It appears no one knows where I am or even if I m still alive I don t know how I feel about that My friends thinking I m dead leaves a hole in my heart but I ll drive myself crazy if I obsess about it So rather than allowing myself to wallow in self pity or anger about what s happened I m throwing all my energy into training You would think that whole elite athlete thing would make everything easier but all these new techniques I need to master hand to hand combat weapons training surveillance procedures are kicking my ass For my whole life I ve only had one identity Ethan hockey player Now that sense of self is gone forever slowly being replaced by my new

identity Slapshot Surreal doesn't even begin to describe this transformation But the more I find out about the world around me the problems I ignored for the most part as I played a game for an obscene amount of money the more I want to make a difference This is not a game It's real life and I have the chance to be a hero It's going to take everything I have or have left to do it Initiation by Fire Underground 3 I have my first assignment helping track down a man targeting Cuban bodegas and then using an automatic rifle to massacre all those inside after they're attacked by a Cuban gang and his wife is killed Underground is tasked with figuring out who this dangerous man is and stopping him before he goes on another rampage It's the first time I've seen Underground in action and I have to admit it's exciting I feel that adrenaline rush I used to get right before I hit the ice And I loved that satisfied feeling of knowing I helped find justice for all the innocent people the man has murdered

Off the Grid Cassandra Carr, 2015-04-10 Can a man disappear forever and build himself a new life or will his past catch up with him Follow this 10 part serial throughout 2015 featuring Ethan aka Slapshot a hockey player whose life is ruined forcing him to disappear forever Ethan joins Underground a black ops organization and is trained as a deadly operative There he meets Ciana a woman with a dark past of her own As Ethan and his Underground colleagues embark on dangerous missions worldwide he finds a new purpose in life Off the Grid Underground 1 The seemingly impossible has happened The unthinkable Those I trusted most have betrayed me I'm a hockey player and gave control of my finances to my parents so I could concentrate on my game Big mistake They stole from me bankrupted me in fact And then someone come looking for money I don't have and I made a terrible mistake one that will haunt me forever But now someone has found me and offered a new start I would no longer be a hockey player I wouldn't even be an actual person totally off the grid I'd be a shadow fighting crime for an organization that's underground literally Do I want that life If I go back what kind of life would I have Probably one in prison orange The choice to join Underground is painful but necessary As my hockey coach always said though pain is weakness leaving the body I will not be powerless ever again
