Her Shifter Harem's Babies [Full Collection] Layla Heart, 2022-08-25 Cyra a rare Omega phoenix shifter has been hiding from the shifter world for years but she s about to be dragged back into it in a big way Cyra feels that she s pretty good at pretending that she s human she s got a job at a cafe and is a princess for hire for birthday parties for kids Money is always tight but she likes her freedom and that s worth a lot to her Rare Omegas like her are never truly safe Either because her parents keep trying to marry her off to some rich Alpha for the money and status it would bring them or the constant danger of being found out kidnapped and bred by some random shifter family hoping to gain status from that Once she s claimed by an Alpha she ll become the Alpha s property and she refuses to live like that But those situations become real possibilities when Cyra finds herself at the start of the shifter mating season with an old car that constantly breaks down and her stash of medication that she uses to hide her Omega status running dangerously low and no money to afford to do something about either problem Her problems get even worse when two playboy Alphas a hydra and a griffin start showing up at the cafe Their teasing and interest making her feel things and want things she s sworn to never do with another shifter for the risk of what could happen is too great for the short enjoyment it would bring But the final straw is when she accidentally accepts to play a princess at a shifter kid s birthday party and her car breaks down right as she s about to leave Luckily or maybe she s just that unlucky two kind Alphas a cerberus and a centaur are able to give her a ride back home Their kindness making her feel safe and comforted even when it s not safe for her at all In a bout of

recklessness and a desperate need for the money she accepts the offer of the cerberus and centaur to be their date to the yearly Night Gala An exclusive event at the start of the mating season where Alphas Betas and Omegas can meet but it s not uncommon for humans to attend too as dates or staff One night of looking pretty and eating fancy food and she d be able to not only fix her car but afford the medication she needs the offer is too tempting What she hadn t expected was for the hydra and the griffin to show up too Or how all four Alphas would react to her Omega scent Or how the media would hound them through the city as the five are trying to figure out what s going on Or worst of all how her parents would use this opportunity to get the fame they ve always wanted by claiming that the four Alphas have kidnapped Cyra and that she s already promised to another Alpha Now the five not only have to figure out their feelings but are also on the run from the media the police and anyone interested in getting their hands on a rare Omega no matter the cost This collection contains all four books in the Her Shifter Harem s Babies series Omega Phoenix Claimed Omega Phoenix Hunted Omega Phoenix Pursued and Omega Phoenix Provoked This is a paranormal Omegaverse reverse harem WhyChoose romance These books may include any of these elements steamy scenes I need tissues NOW moments cries of why oh why and cliffhangers that make you bite your nails and curse the author This series contains MF MM and group scenes **Claimed by the Alphas** Viola Rivard,2017 For Mila Foster the idea of becoming an alpha wolf s breeding mate is so tantalizing that she is willing to leave her human life behind to join the Lazarus pack Their alpha the handsome and sensual Asch is more than she could have ever hoped for and Mila is beyond ready to surrender herself to him until she finds out that the Lazarus pack has a second alpha the dominant and primitive Caim Book 1 in the Shifters of Appalachia series Jennifer L.
