Hunt, 2003 Defining John Bull demonstrates that caricature played a vital role in the redefinition of what it meant to be British The public's increasing interest in political controversies meant that satirists turned their attention to individuals and the issues involved This long reign was marked by political crises both foreign and domestic and caricaturists responded with an outpouring of work that led the era to be called the golden age of caricature These multitudinous prints produced in response to public demands and sensitive to public attitudes indicate the redefinition of existing ideals    *The City Bride Or the Merry Cuckold* Joseph Harris, 2008-03-01    *The City Bride (1696)*.
