Everlasting Erotic Menage Romantic Suspense M F M M M HEA Trust in love, and it will never do you wrong. Carina learns the hard way that sentiment isn't always true, and in fact, could be deadly. After escaping an attack by two men, one she loved who betrayed her in the worst possible way, Carina is determined to survive and get lost in another town, another place, landing her in Repose, Texas. People are caring, she makes friends easily, and works in a cool place called the Filling Station. She doesn't trust men in uniform, soldiers, or just about ninety percent of the people she sees on a daily basis. So when she gains the interest of four men who remind her too much of her troubled past, she's ready to hightail it out of there. The Cortland men, all retired soldiers, set their sights on Carina and can tell right away she is fearful and resistant to an attraction. They all feel Jack, Milton, Jesse, and Dr. Nevin. Cortland will do whatever it takes to make Carina smile and ultimately win her love and affection. When she confides in them, the wrong that was done to her and how she may still be in danger, it's a little too late, and they'll need to use all the resources of their professions to not only save her life but also save one another.
