- 5 Imagine your publishing venture as a vast interconnected structure akin to the Great Wall You the author entrepreneur are the emperor overseeing the construction and maintenance of this grand edifice Your parent company is the imperial court the central authority from which all decisions and resources flow
- 7 Each watchtower along your publishing wall represents a subsidiary or role you must manage

The Author s Tower This is where creativity flourishes and your literary works are crafted The Editor s Fortress A stronghold of quality control ensuring your content is polished and refined The Designer s Pavilion Where your book s visual identity takes shape from cover art to interior layout The Marketer s Beacon A signal fire that attracts

readers from far and wide The Distributor s Gateway The point where your book embarks on its journey to reach readers Each of these towers functions as its own business unit much like how Victoria s Secret and Bath Body Works operated under the L Brands umbrella³⁷ They are distinct entities with specialized functions yet all contribute to the overall success of your publishing empire As the emperor of this literary kingdom you must wear many hats switching roles as you move from tower to tower One moment you re the visionary author the next a meticulous editor then a savvy marketer This multifaceted approach mirrors the entrepreneurial spirit that drives successful self published authors⁶⁸ Your subsidiaries can be viewed as contracted freelancers or specialized departments within your empire The editor might be an independent contractor while your design team could be a small agency you collaborate with regularly Your distribution arm might leverage platforms like Amazon KDP acting as a vital partnership in your business model¹⁴ Remember like the Great Wall your publishing venture is not built in a day It requires continuous effort adaptation and expansion Each book you publish is a new section of the wall extending your reach and influence in the literary landscape As you stand atop your Great Wall of Publishing surveying the vast territory of the book market take pride in the empire you ve built Your ability to seamlessly transition between roles manage diverse subsidiaries and maintain a cohesive vision is what sets you apart in the world of independent publishing⁹ In this ever evolving industry your adaptability and entrepreneurial spirit are your greatest assets Like the Great Wall which has withstood the test of time your publishing venture can become an enduring legacy a testament to the power of independent authorship and entrepreneurial determination
