Meyers Grosses Konversations-Lexikon Hermann Julius Meyer,1902 **Bulletin of the New York Public Library**

New York Public Library,1923 Includes its Report 1896 19 *New York Vertical* Horst Hamann,2001 Some people may mistakenly overlook this book because of the novelty of its central idea upending a panoramic camera to shoot New York City vertically But veteran photographer Horst Hamann s pictures have nothing gimmicky about them in fact like Berenice Abbott s they seem destined for New York City photo immortality The pictures are beautifully controlled in vision in camera technique and in printing What s more Hamann bends the city to his vision of light air and geometry A shot of the Statue of Liberty s right arm holding the lamp aloft is a masterwork of composition and care It s as if Hamann somehow arranged for the sea below to darken in precisely the same gradations as the Lady s stately arm Compare it to a dizzying picture of one of the Chrysler Building s shiny eagle heads or a serene moment among the hosta lilies in Trinity Church cemetery for a grasp of Hamann s range Each photograph is paired with a quotation on the opposite page such as Walt Whitman s The beautiful city the city of hurried and sparkling waters or former mayor James J Walker s quip I d rather be a lamppost in New York than Mayor of Chicago The back of the book contains information on the places in the photographs On a shelf of New York books this one might take its place next to Paul Goldberger s classic *The City Observed* as a fresh example of how New York s stone steel and glass architectural icons are reinvented with each new visionary

Deutsche Presseforschung ,1961 Resisting Hitler Shareen Blair Brysac,2002-05-23 This gripping and heartbreaking narrative is the first full account of an American woman who gave her life in the struggle against the Nazi regime As members of a key resistance group Mildred Harnack and her husband Arvid assisted in the escape of German Jews and political dissidents and for years provided vital economic and military intelligence to both Washington and Moscow But in 1942 following a Soviet blunder the Gestapo arrested tortured and tried some four score members of the Harnacks group which the Nazis dubbed the Red Orchestra Mildred Fish Harnack was guillotined in Berlin on February 16 1943 on the personal instruction of Adolf Hitler she was the only American woman to be executed as an underground conspirator during World War II Yet as the war ended and the Cold War began her courage idealism and self sacrifice went largely unacknowledged in America and the democratic West and were distorted and sanitized in the Communist East Only now with the opening of long sealed archives from Germany the KGB the CIA and the FBI can the full story be told In this superbly told life of an unjustly forgotten woman Shareen Blair Brysac depicts the human side of a controversial resistance group that for too long has been portrayed as merely a Soviet espionage network Boston Medical and Surgical Journal ,1902
