Catalogue of the Officers and Students of Brown University Brown University, 1917 **Soil Mechanics Lab Manual** Michael E. Kalinski, 2006-02-20 It is critical to quantify the various properties of soil in order to predict how it will behave under field loading for the safe design of soil structures Quantification of these properties is performed using standardized laboratory tests This lab manual prepares readers to enter the field with a collection of the most common of these soil mechanics tests The procedures for all of these tests are written in accordance with applicable American Society for Testing and Materials ASTM standards Communicating Race, Ethnicity, and Identity in Technical Communication Miriam

Williams, Octavio Pimentel, 2016-12-05 The purpose of this book is to move our field's discussion beyond issues of diversity in the practice of technical communication which is certainly important to include discussions of how race and ethnicity inform the production and distribution of technical communication in the United States Equally important this book is an attempt to uncover those communicative practices used to adversely affect historically marginalized groups and identify new practices that can be used to encourage cultural competence within institutions and communities This book like our field is an interdisciplinary effort While all authors have taught or practiced technical communication their backgrounds include studies in technical communication rhetoric and composition creative writing and higher education For the sake of clarity the book is organized into five sections historical representations of race and ethnicity in health and science communication social justice and activism in technical communication considerations of race and ethnicity in social media users right to their own language and communicating identity across borders cultures and disciplines
