**Remembering the First World War** Bart Ziino, 2014-12-05 Remembering the First World War brings together a group of international scholars to understand how and why the past quarter of a century has witnessed such an extraordinary increase in global popular and academic interest in the First World War both as an event and in the ways it is remembered The book discusses this phenomenon across three key areas The first section looks at family history genealogy and the First World War seeking to understand the power of family history in shaping and reshaping remembrance of the War at the smallest levels as well as popular media and the continuing role of the state and its agencies The second part discusses practices of remembering and the more public forms of representation and negotiation through film literature museums monuments and heritage sites focusing on agency in representing and remembering war The third section covers the return of the War and the increasing determination among individuals to acknowledge and participate in public rituals of remembrance with their own contemporary politics What for instance does it mean to wear a poppy on armistice remembrance day How do symbols like this operate today These chapters will investigate these aspects through a series of case studies Placing remembrance of the First World War in its longer historical and broader transnational context and including illustrations and an afterword by Professor David Reynolds this is the ideal book for all those interested in the

history of the Great War and its aftermath      The Great University Gamble Andrew McGettigan,2013-04-05 In 2010 the UK government imposed huge cuts and market driven reforms on higher education Proposals to raise undergraduate tuition fees lead to angry student led protests What will become of higher education under this new policy regime The Great University Gamble outlines the architecture of the new frontier for higher education surveying the financial and policy details Andrew McGettigan asks the big questions What will be the role of universities within society How will they be funded What kind of experiences will they offer students Where does the public interest lie With privatisation infringing on our universities and colleges education is threatened with transformation from a public good into a private individual financial investment
