Claire Ferchaud Histoire:

The Tragic Tale of Claire Ferchaud and the Great War Raymond Jonas, 2005-03-14 This is the moving and improbable story of Claire Ferchaud a young French shepherdess who had visions of Jesus and gained national fame as a modern day Joan of Arc at the height of World War I Claire experienced her first vision after a childhood trauma in which her mother locked her in a closet to break her stubborn willfulness She developed her visionary gifts with the aid of spiritual directors and by the age of twenty she had come to believe that Jesus wanted France consecrated to the Sacred Heart Claire believed that if France undertook this devotion symbolized by adding the image of the Sacred Heart to the French flag it would enjoy rapid victory in the war From her modest origins to her spectacular ascent Claire's life and times are deftly related with literary verve and insight in a book that gives a rare view of the French countryside during the Great War *The Tragic Tale of Claire Ferchaud and the Great War* Raymond Anthony Jonas, 2005 This is the moving and improbable story of Claire Ferchaud a young French shepherdess who had visions of Jesus and gained national fame at the height of World War I as a modern day Joan of Arc The text illuminates broad issues of gender and ambition belief and betrayal mysticism and hysteria

Le fait de Loublande. Claire Ferchaud : ses révélations, sa mission, 1918 **Writing the Great War** Christoph Cornelissen, Arndt Weinrich, 2022-11-11 From the Treaty of Versailles to the 2018 centenary and beyond the history of the First World War has been continually written and rewritten studied and contested producing a rich historiography shaped by the social and cultural circumstances of its creation Writing the Great War provides a groundbreaking survey of this vast body of work assembling contributions on a variety of national and regional historiographies from some of the most prominent scholars in the field By analyzing perceptions of the war in contexts ranging from Nazi Germany to India's struggle for independence this is an illuminating collective study of the complex interplay of memory and history [The Great Class War 1914-1918](#) Jacques R. Pauwels, 2016-04-06 Historian Jacques Pauwels applies a critical revisionist lens to the First World War offering readers a fresh interpretation that challenges mainstream thinking As Pauwels sees it war offered benefits to everyone across class and national borders For European statesmen a large scale war could give their countries new colonial territories important to growing capitalist economies For the wealthy and ruling classes war served as an antidote to social revolution encouraging workers to exchange socialism's focus on international solidarity for nationalism's intense militarism And for the working classes themselves war provided an outlet for years of systemic militarization quite simply they were hardwired to pick up arms and to do so eagerly To Pauwels the assassination of Archduke Franz Ferdinand in June 1914 traditionally upheld by historians as the spark that lit the powder keg was not a sufficient cause for war but rather a pretext seized upon by European powers to unleash the kind of war they had desired But what Europe's elite did not expect or predict was some of the war's outcomes social revolution and Communist Party rule in Russia plus a wave of political and social democratic reforms in Western Europe that would have far reaching consequences Reflecting his broad

research in the voluminous recent literature about the First World War by historians in the leading countries involved in the conflict Jacques Pauwels has produced an account that challenges readers to rethink their understanding of this key event of twentieth century world history *Claire Ferchaud* Jean-Yves Le Naour,2007-02-07 En 1916 le Christ apparaît une bergère vendenne et lui confie la mission de bouter les Allemands hors de France Surnommée la nouvelle Jeanne d'Arc la jeune Claire Ferchaud suscite tout d'abord l'enthousiasme des croyants qui espèrent en l'intervention divine pour que la victoire soit donnée la France fille aînée de l'Église Mais la République laïque et anticléricale n'est pas une fille obéissante et si le président Poincaré voit la bergère l'Église sa mission militaire et religieuse est bloquée par les autorités publiques C'est que l'affaire est politique pour que la France soit victorieuse le Christ exige que le pays se repente de ses erreurs républicaines et place son Sacré sur le drapeau national Derrière cette histoire singulière se profilent des luttes de pouvoir entre l'Église et l'État mais aussi l'intérieur de l'Église entre républicains ralliés et réactionnaires patentés travers l'opinion d'une Jeanne d'Arc en bleu horizon Jean Yves Le Naour explore les rapports complexes entre foi patriotisme et politique sur fond d'une société traumatisée par la guerre et prête tout croire pourvu qu'on lui promette la fin des combats **Heroes and Legends of Fin-de-Siècle**

France Venita Datta,2011-04-11 In *Heroes and Legends of Fin de Siècle France* Venita Datta examines representations of fictional and real heroes in the boulevard theater and mass press during the fin de siècle 1880-1914 illuminating the role of gender in the construction of national identity during this formative period of French history The popularity of the heroic cult at this time was in part the result of defeat in the Franco Prussian War in 1870 as well as a reaction to changing gender roles and collective guilt about the egoism and selfishness of modern consumer culture The author analyzes representations of historical figures in the theater focusing on Cyrano de Bergerac Napoleon and Joan of Arc and examines the press coverage of heroes and anti heroes in the Bazar de la Charité fire of 1897 and the Ullmo spy case of 1907 Bulletin de la Société
