The Routledge Companion to Libraries, Archives, and the Digital Humanities Isabel Galina Russell,Glen Layne-Worthey,2024-12-02 The Routledge Companion to Libraries Archives and the Digital Humanities covers a wide range of issues encountered in the world s libraries and archives as they continue to expand their support of and direct engagement in Digital Humanities DH research and teaching In addition to topics related to the practice of librarianship and to libraries and archives as DH friendly institutions we address issues of importance to library and archives workers themselves labour sustainability organisation and infrastructure and focused professional practices that reflect the increasingly important role of librarians and archivists as active research partners One of the central motifs

of this book is that the two fields DH on the one hand and the library archival and information sciences on the other are in fact deeply intertwined productively interdependent and mutually reinforcing We place these on an equal footing considering how they coexist and collaborate in equal partnership This Companion will be of interest to DH practitioners and theorists especially those who work in libraries and archives and those who work with them Likewise non DH or not yet DH library and archival administrators reference and public service librarians cataloguers and even those who work primarily with the tangible collections will find here echoes and implications of the most venerable traditions and practices of our shared profession The Introduction of the book is free to view at <https://www.book2look.com/book/hpV4zdnW6q> Chapter 14 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Chapter 17 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Chapter 8 and 18 will be made Open Access
