Behr, 1983 *Study Guide for Business Law Today, the Essentials* Roger LeRoy Miller, Gaylord A. Jentz, 1999-07-12 This study guide provides a chapter by chapter review of Business Law Today The chapter by chapter review offers the following for each chapter of the text Key point covered in each chapter Brief chapter introduction Chapter outline True false questions Fill in questions Multiple choice questions Short essay problems Issue spotters Answers to all of the questions and issue spotters are found in a separate appendix at the end of the Study Guide a section entitled Uniform CPA Business Law Examination Information **Standard Catalog: Sociology Section** H.W. Wilson Company, 1918 *Criminal liability in regulatory contexts* Great Britain: Law Commission, 2010-08-25 In this consultation paper the Law Commission sets out the case for reducing the scope for criminal law to be used in regulated fields such as farming food safety banking and retail sales Criminal sanctions should only be used to tackle serious wrongdoing and it is out of proportion for regulators to rely wholly on the criminal law to punish and deter activities that are merely risky unless the risk involved is a serious one There has been a steep increase in the number of criminal offences created since the late 1980s to penalise risk taking The areas regulated cover a wide range of risk posing activities and involve millions of people and thousands of businesses By turning to civil penalties for minor breaches regulators could reduce costs to themselves and the criminal justice system by 11 million a year In some cases criminal prosecution can cost almost twice what the courts obtain in fines The paper proposes that i regulatory authorities should make more use of cost effective efficient and fairer civil measures to govern standards of behaviour ii a set of common principles should be established to help agencies consider when and how to use the criminal law to tackle serious wrongdoing and iii existing low level criminal offences should be repealed where civil penalties could be as effective Where criminal offences are created in regulatory contexts they should require proof of fault elements such as
