### Notes

- This engine is delivered exclusively for purposes according to the scope of delivery and built by the equipment manufacturer (and for the intended purpose). Any other use above and beyond this will be considered as misuse. The manufacturer will not accept any liability for damages resulting from this. The user bears the sole risk.
- Use for the intended purpose also includes observation of the operating, maintenance and repair conditions specified by the manufacturer. The engine should only be operated, serviced and repaired by personnel trained in its use and the hazards involved.
- The pertinent rules for the prevention of accidents and other generally recognized safety and industrial machine rules must be observed.
- When the engine is running there is a danger of injury caused by:
  - rotating and hot components
  - oil misters with external ignition (high electrical voltage). Contact must be avoided!
- Unauthorized engine modifications will involve any liability claims against the manufacturer as a result of damage.
- If faulty modifications to the injector

engine, the use of D50172 original parts is prescribed. These are specially designed for your engine and guarantee safe and quiet operation.

Non-compliance with the warranty of the manufacturer!

Maintaining correct parts for the engine may only be carried out by a qualified technician who is not running and not working on the engine.

When carrying out maintenance or electrical system work, take the following measures (very important):

The work must be carried out in accordance with the instructions for the engine (e.g. VDE 4110, 4120, 4130, 4140).

Electrical protective measures must be taken. The electrical protective measures must be taken before the work is carried out.

Over-voltage protection must be taken when working with high voltage.

Do not work on the fuel system while the engine is running. **Danger!**

Do not work on the engine after the engine has come to a standstill. The engine with D50172 Common Rail about 10 minutes, otherwise it may be damaged because the pressure is still high.

**Danger!**

During the first trial run, do not stand in the danger area of the engine.
