**Environmental Literacy in Science and Society** Roland W. Scholz, Claudia R. Binder, 2011-07-21 In an era where humans affect virtually all of the earth's processes questions arise about whether we have sufficient knowledge of human environment interactions How can we sustain the Earth's ecosystems to prevent collapses and what roles should practitioners and scientists play in this process These are the issues central to the concept of environmental literacy This unique book provides a comprehensive review and analysis of environmental literacy within the context of environmental science and sustainable development Approaching the topic from multiple perspectives it explores the development of human understanding of the environment and human environment interactions in the fields of biology psychology sociology economics and industrial ecology The discussion emphasises the importance of knowledge integration and transdisciplinary processes as key strategies for understanding complex human environment systems HES In addition the author defines the HES framework as a template for investigating sustainably coupled human environment systems in the 21st century

**Essays on Liberalism and the Economy, Volume 18** F.A. Hayek, 2024-05-31 A deft selection of unpublished and little known works by F A Hayek that will serve to enlighten and enliven debates around the ever changing face of Western liberalism Across seventeen volumes to date the University of Chicago Press's Collected Works of F A Hayek series has anthologized the diverse and prolific writings of the Austrian economist synonymous with classical liberalism Essays on Liberalism and the Economy traces the author's long and evolving writings on the cluster of beliefs he championed most liberalism its core tenets and how its tradition represents the best hope for Western civilization This volume contains material from almost the entire span of Hayek's career the earliest from 1931 and the last from 1984 The works were written for a variety of purposes and audiences and they include along with conventional academic papers encyclopedia entries after dinner addresses a lecture for graduate students a book review newspaper articles and letters to the editors of national newspapers While many are available elsewhere two have never appeared in print and two others have not been published in English The varied formats collected here are enriched by Hayek's changing voice at different stages of his life Some of the pieces resonate as high minded and noble some are meant as cuts to intellectuals a pejorative term when used by Hayek like Keynes and Galbraith All serve to distill important threads of his worldview
