Babylon Or Jerusalem:

Babylon Or Jerusalem? Jan Willem Van der Hoeven, 1993 Reflects on two cities discussed in the Bible Babylon representing the efforts and achievements of man rejection of God and materialism and Jerusalem representing God's intervention and salvation holiness and righteousness Ch 8 p 81 106 The Time of Jacob's Trouble describes troubles which befell the people of Israel from the destruction of the Temple to the Holocaust States that God has not rejected His people the message of God's love is Zionism the movement for return to the Land of Israel Indeed those Jews who heard this message and came to the Land were spared from the Nazi genocide Ch 11 p 131 146 Why Israel Is Hated discusses Arabs and Muslims hatred of the State of Israel Contends that this hatred is inspired not only by the question of the land but is deeply rooted in the ideology of Islam and is essentially a hatred of the Jews The main goal of Arab movements which have engaged in fighting Israel and of the wars of the bordering Arab states with Israel was not to regain their lost territories but to eliminate the State of Israel from the map

Mystery Babylon - When Jerusalem Embraces the Antichrist: An Exposition of Revelation 18 and 19 Chris White, 2013-09 And the woman which thou sawest is that great city which reigneth over the kings of the earth Revelation 17 18 Which city is this that reigns over all the kings of the earth Rome New York Mecca There are over 90 Characteristics given in the book of Revelation about the city of Mystery Babylon and none of these three cities meets all of the criteria But there is one city that does or should I say will Too often people look for the city of Mystery Babylon in history or in their present day as opposed to what the scriptures say we will see in the future The Bible tells us exactly which city will be the capital city of the Antichrist in the last days it tells us the city that will promote the Antichrist's worship to the rest of the world and the city in which the Antichrist will institute the greatest persecution of all time That city is Jerusalem The city of Mystery Babylon will be Jerusalem when it embraces the Antichrist as if he was their long awaited Messiah The reason that she is referred to as a harlot is the same reason she was referred to as a harlot hundreds of times in scripture because she is committing spiritual adultery How is the faithful city become an harlot Isaiah 1 21a Consider just a few similarities between Mystery Babylon and Jerusalem 1 Mystery Babylon is said to kill the prophets in Revelation 18 24 Yet the only city that has ever been recorded as killing the prophets is Jerusalem O Jerusalem Jerusalem thou that killest the prophets Matthew 23 37 2 The Bible says that Mystery Babylon will be held accountable for ALL the righteous blood shed on the earth Yet Jesus said the exact same thing about Jerusalem That upon you may come all the righteous blood shed upon the earth Mat 23 35a This is just scratching the surface In the last days the Antichrist will seek to convince the Jews that their Messiah has finally come he will seek to make them and the rest of the world think that the kingdom age has begun This is the only view of Mystery Babylon that can withstand a meticulous verse by verse examination Find out about the seven hills and why the bible refers to them as kings in almost every bible translation Find out why every item brought to Mystery Babylon are used for temple construction daily sacrifice and a vast worldwide pilgrimage system For

The Return from Babylon to Jerusalem C 536 BC-450 BC Betty Banaszak, 2016-06-11 The Return is a sequel to its predecessor The Divided Kingdom which covers Israel's history from the time of Solomon to the Babylonian Captivity and includes all the written prophets of that period The Return picks up where Cyrus the Great and Darius the Mede conquer Babylon and bring in the new empire under the joint government of the Medes and the Persians God continues to move mightily in high places this time effecting the unprecedented liberation of all subjects to return peaceably to their homelands The timetable is perfect precisely seventy years later according to Jeremiah's prophecy in Jer 29 10 For thus saith the Lord That after seventy years be accomplished at Babylon I will visit you and perform my good word toward you in causing you to return to this place This Return is called the Restoration Period where

God releases the Jews to return and restore all that has been destroyed because of their iniquities Against the backdrop of some of history s greatest rulers the Jews are graced with overwhelming subsidies to support the rebuilding of their cherished city Jerusalem and its fallen Temple Cyrus the Great Darius the Great Xerxes the Great and his son Artaxerxes Longimanus the Great all play key roles in the history of God s chosen people The Return covers the writings of Ezra Nehemiah Daniel the prophetic words of Haggai Zechariah and Malachi and the chilling account of Queen Esther who risks her life to staunch an empire wide attempt to annihilate her people The events of this Old Testament period foreshadow the Christian dispensation where the church is progressively released from her spiritual Babylonian captivity through the ministries of Luther the Wesley brothers the charismatic revivals of the 20th century with the restoration of spiritual gifts and ministries and the current emphasis on Christ s second coming The Restoration leaders and prophets focus on the celebration of Israel s third great feast the Feast of Tabernacles The moving of God s spirit today is centered on the fulfillment of this crowning moment where the sons of God who have matured in Christ will appear as the governors of the Millennial Reign of Christ and bring in an age of peace and harmony in the earth All this and more are covered in this scholarly yet easy to read volume of Biblical truth The 2 volume 8 1/2 x 11 edition is in larger print and the illustrations are clearer The single volume 6 x 9 Compact Edition is in smaller print and more portable 738 pages [Return to Jerusalem](#)

David Schlossberg,2010-08-11 Return To Jerusalem recounts the events following the defeat of Israel by Babylon in 586 BCE The story follows the fortunes of two families through their exile to Babylon the defeat of Babylon by Persia and the subsequent return of the Jews to Israel The Jews rebuilt the city wall and re established the Temple in Jerusalem and Israel flourished for the next 500 years Many figures in the book are historical for example King Nebuchadnezzar of Babylon modern day Iraq and Cyrus and Artaxerxes of Persia modern day Iran Others are biblical personalities such as Daniel Ezra and Nehemiah The clash of Babylonian Persian and Jewish cultures attacks on Israel from warring neighbors and efforts by Jewish leaders to defend and protect their culture are issues which resonate today as they did 2500 years ago *The Return from Babylon to Jerusalem C 536-450 BC* Betty Banaszak,2016-06-11 The Return is a sequel to its predecessor The Divided Kingdom which covers Israel s history from the time of Solomon to the Babylonian Captivity and includes all the written prophets of that period The Return picks up where Cyrus the Great and Darius the Mede conquer Babylon and bring in the new empire under the joint government of the Medes and the Persians God continues to move mightily in high places this time effecting the unprecedented liberation of all subjects to return peaceably to their homelands The timetable is perfect precisely seventy years later according to Jeremiah s prophecy in Jer 29 10 For thus saith the Lord That after seventy years be accomplished at Babylon I will visit you and perform my good word toward you in causing you to return to this place This Return is called the Restoration Period where God releases the Jews to return and restore all that has been destroyed because of their iniquities Against the backdrop of some of history s greatest rulers the Jews are graced with overwhelming

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Reimagining Jerusalem's Architectural Identities in the Later Middle Ages Cathleen A. Fleck, 2022-10-10 How can medieval art explain Jerusalem's centrality in the world faiths of Christianity and Islam This book delves into that topic by examining how Jerusalem was creatively represented and reimagined in several intriguing Christian

and Islamic artworks in the later Middle Ages c 1187 to 1356 The book considers how European Catholic crusaders Eastern Christian sects and diverse Muslim factions displayed Jerusalem s architecture to express their interpretation of the holy city s sanctity and influence These examples demonstrate how artworks can reflect Jerusalem s importance to these faiths in the past and illuminate our understanding of its status into the modern era
