Back To School Bulletin Board Wikispaces:

Handbook of Mobile Learning Zane L. Berge, Lin Muilenburg, 2013-06-19 Winner of the AECT Division of Distance Learning DDL Distance Education Book Award This handbook provides a comprehensive compendium of research in all aspects of mobile learning one of the most significant ongoing global developments in the entire field of education Rather than focus on specific technologies expert authors discuss how best to utilize technology in the service of improving teaching and learning For more than a decade researchers and practitioners have been exploring this area of study as the growing popularity of smartphones tablets and other such devices as well as the increasingly sophisticated applications for these devices has allowed educators to accommodate and support an increasingly mobile society This handbook provides the first authoritative account of the theory and research that underlies mobile learning while also exemplifying models of current and future practice

Leading 21st-Century Schools Lynne Schrum, Barbara B. Levin, 2009-09-11 Aligned to the ISTE NETS standards for administrators this guide provides an actionable plan for integrating new technology into teaching and learning and realizing measurable improvement

Essential Documents for School Libraries Colleen MacDonell, 2010-09-17 This techno savvy print ready book and CD contains essential documents for school libraries at the preschool elementary middle school and high school levels including the latest Web 2.0 tools and technology resources Many school librarians face similar inquiries such as students confused about writing citations teachers seeking a quick way to plan a research unit parents seeking advice on getting their child to read or a volunteer needing instruction on shelving books All are valid and urgent questions requiring immediate responses In today's digital world answering these questions is both easier and more complicated While the plethora of online applications allows easier sharing of documents the latest technologies have also raised new issues and added new complications The second edition of Essential Documents for School Libraries provides practical written and online solutions to common challenges in school libraries Integrating traditional and electronic means of communication this book provides invaluable sample documents backed up by a carefully reasoned approach and practical guidelines for the strategic management of any school library These essential documents not only improve your ability to work with teachers and students but also help you use your library to build a positive school culture

Supporting Online Students Anita Crawley, 2012-01-31 Supporting Online Students shows how effective and efficiently delivered support services improve academic success and course retention for online learners Drawing on a decade's worth of research Anita Crawley describes the scope of services from admissions and registration to advising and student engagement The book includes guidelines and standards planning and implementation innovative practices and describes specialized services needed by particular online student groups Effective student support is the single most important factor in sustaining high quality online learning programs Anita Crawley presents the most effective guide to achieving that success Her book is a blueprint for building thriving online programs through comprehensive student support Ray Schroeder director Center for

Online Learning Research and Service University of Illinois Springfield As distance learning continues to grow this book addresses the often neglected other side of the coin online student services This book provides a great introduction and overview of the research literature and innovative practices for planning implementing and evaluating support services for online learners George Steele director eStudent Services OhioLearns Anita Crawley has crafted a splendid volume on a topic of increasing importance in contemporary higher education Her book promises to be the foundational piece for those who work with students in an online environment Her thinking and analysis are superb and undoubtedly will provide the basis upon which to develop online programs and services in the future John H Schuh Distinguished Professor of Educational Leadership and Policy Studies Emeritus Iowa State University Bringing together extensive examples of innovative practices summaries of current research and a wealth of experience in student services Anita Crawley s comprehensive guide to supporting online students is a rich resource for institutions with existing growing or new online programs Diane J Goldsmith former executive director Connecticut Distance Learning Consortium *School Library Journal* ,2010 **Bulletin** Entomological Society of Canada (1951-),1969 *The Instant Bulletin Board Book* Karen Sevaly,Richard Sevaly,1993-04-01
