in present diplomatic dialogues In exploring how far there has been a change of norm in the society of states in the 1990s the
book defends the broad based constructivist claim that state actions will be constrained if they cannot be legitimated and
that new norms enable new practices but do not determine these The book concludes by considering how far contemporary
practices of humanitarian intervention support a new solidarism and how far this resolves the traditional conflict between
order and justice in international society BOOK JACKET Books in Print Supplement ,1988 **Readers' Guide to**
