

Introduction

Congratulations! As the owner of Carrier's Comfort Zone II zoning system, you have made a commitment to controlling your indoor weather. Comfort Zone II allows you to maximize the performance of your heating and cooling system with customized comfort control. Your system now has the ability to follow your schedule and provide enhanced comfort in areas which are difficult to heat or cool. Here's how it works: Your Carrier dealer has divided your home or business into zones which you control separately. Instead of setting one temperature for the entire house or business, you can select a different temperature for each of your zones. By following the step-by-step instructions in this guide, you will begin to enjoy the benefits of your Comfort Zone II system.
