The Enthusiasts' Guide to Buying a Classic British Sports Car Peter Hingston, 2007 *Car Collector's Handbook*
Peter C. Sessler, 1992 *Railway Locomotives and Cars*, 1928 *Automobile Topics*, 1909 **How to Control Your Mind**
Like a Car Instead of a Rollercoaster Marcellus Stanley, 2018-12-28 At times we all may get a little frustrated with our minds and how we think Sometimes you may feel your thoughts are controlling you instead of you being in control of your thoughts This book can help you to see how you can be more empowered to take control of your mind and thinking It helps you to understand that if you can learn to drive and control a car then you can use those same skills to be in more control of your mind and your life In my own unconventional way I want you to know that every time you get behind the wheel of your car that you are in control The same way that you and controlling that car you can do the same by your controlling your mind instead of letting it go like a rollercoaster Let's face it we are all on a journey and it depends on what transportation you use and the roads you take that will determine the adventures that you experience along the way Since life is full of ups and downs and unexpected twists and turns it's important that we take time to learn how to best navigate it My goal is to give you a few life hacks that may very well show you some better ways to help navigate and control your mind through this journey of life like you would a car instead of letting it go like a rollercoaster Ward's Automobile Topics, 1909
