Susan Ballinger, Ruth Fielding, Diane J. Tedick, 2024-09-10 This book fills a large gap in our understanding of how to prepare teachers for the challenging but increasingly popular task of integrating content and language instruction It brings together findings on content based teacher education from Africa Asia Australia Europe and North America in order to inform researchers and teacher educators and enable them to play a critical role in the continued success of such programs It offers a solid grounding in theories and applications of content based approaches with empirical studies investigating teacher identity materials design use of cognitive discourse functions and best practices for teacher education Responding to the growing popularity of content based programs and the shortage of qualified teachers for these contexts this book promotes teacher researcher collaboration and provides support for trainee teachers in service teachers and course leaders
