## **Conversations With Igor Stravinsky:**

**Conversations with Igor Stravinsky** Robert Craft, 2013-07-04 *Conversations with Igor Stravinsky* is the first of the celebrated series of conversation books in which Stravinsky prompted by Robert Craft reviewed his long and remarkable life. The composer brings the Imperial Russia of his childhood vividly into focus at the same time scanning what were at the time the brave new horizons of Boulez and Stockhausen with extraordinary acuity. Stravinsky answers searching questions about his musical development and recalls his association with Diaghilev and the Russian Ballet. There are sympathetic and extraordinarily illuminating reminiscences of such composers as Debussy and Ravel, the only musicians who immediately understood *Le Sacre du Printemps* while mischievous squibs are directed at others, most notably perhaps against Richard Strauss, all of whose operas Stravinsky wished to admit to whichever purgatory punishes triumphant banality. The conversations are by no means confined to musical subjects, ranging uninhibitedly across all the arts. Stravinsky gives unforgettable sketches of Ibsen, Rodin, Proust, Giacometti, Dylan, Thomas, and T. S. Eliot. The conversations between Igor Stravinsky and Robert Craft are unique in musical history. The penetration of Craft's questions and the patience and detail of Stravinsky's answers combine to produce an intimate picture of a man who has sometimes puzzled, often delighted and always intrigued. *The Sunday Times*

Craft Stravinsky, 1958      *Conversations with Igor Stravinsky*, *Conversations avec Igor Stravinsky* Igor Stravinsky, Robert Craft, 2024-04-19      **Memories and Commentaries** Igor Stravinsky, Robert Craft, 1981-01-01 For the first time in one volume the celebrated Stravinsky and Craft *Conversations*. Few would dispute that Igor Stravinsky was the greatest composer of the twentieth century. Conductor and writer Robert Craft was his closest colleague and friend and for over twenty-one years he lived with the Stravinskys in their Hollywood home. In the early 1950s he accompanied the composer on his concert tours and from the mid 1950s to Stravinsky's death in 1971 he co-conducted his concerts. Together Stravinsky and Craft published five acclaimed collections known as the *Conversations* series which sprung from informal talks between the two men. In this newly edited and re-structured one-volume version, Craft brings Stravinsky's reflections on his childhood, his family life, professional associates and personal relationships into sharper focus and places the major

compositions in their cultural milieu The Conversations books are the only published writing attributed to Stravinsky that are actually by him in terms of fidelity to his thoughts and opinions making this volume required reading for all fans and students of Stravinsky's music

**Themes and Conclusions** Igor Stravinsky, 1982 This is the final volume in the legendary series of Stravinsky's conversations with Robert Craft In his foreword dated March 1971 shortly before his death Stravinsky wrote of his final work of words They are hardly the last words about myself or my music that I would like to have written and in fact they say almost nothing about the latter except tangentially in comments on Beethoven It is almost five years now since I have completed an original composition a time during which I have had to transform myself from a composer to a listener The vacuum which this left has not been filled but I have been able to live with it thanks in the largest measure to the music of Beethoven It is certain now that I will not be granted powers such as have recently enabled Casals to publish a book at an age six years greater than mine But I am thankful that I can listen to and love the music of other men in a way I could not do when I was composing my own Although Stravinsky may have written nothing new about his music in his last years this book collects together a number of his programme notes about his own works among them the Symphonies of Wind Instruments and Jeu de Carte and there are waspish letters to the press wide ranging interviews prefaces and reviews and a whole section entitled Squibs Readers who enjoyed the earlier volumes of recollections will find this final volume equally enlightening diverting and enriching This unique series of memories is essential reading for all students and lovers of Stravinsky

[The Routledge Companion to Music and Modern Literature](#) Rachael Durkin, 2022-05-26 Modern literature has always been obsessed by music It cannot seem to think about itself without obsessing about music And music has returned the favour The Routledge Companion to

Music and Modern Literature addresses this relationship as a significant contribution to the burgeoning field of word and music studies. The 37 chapters within consider the partnership through four lenses: the universal opera and literature, musical and literary forms, and popular music and literature, and touch upon diverse and pertinent themes for our modern times, ranging from misogyny to queerness, racial inequality to the claimed universality of whiteness. This Companion therefore offers an essential resource for all who try to decode the musico-literary exchange.
