Deputation Manual For Missionaries:

Deputation Manual for Missionaries Austin Gardner ,Tony Howeth ,2006 Do you find yourself unprepared for your pre field ministry Wondering how and where to start raising support for the work God has called you to do Do you have serious concerns about the deputation process This pre field deputation manual has helped many missionaries to discover the fundamental keys to effectively raising support This practical biblical approach to missions fund raising will answer your most important questions about the deputation process From printing your prayer cards to filling your calendar to sharing your vision the Deputation Manual contains the tools and teaching you need to succeed in this crucial period of ministry

Speaking for Missions Edwin Marx,1935 **Pamphlets on Foreign Missions** ,1856 **Early Capitalism in Colonial Missions** Christina Petterson,2023-12-28 Drawing on unpublished archival material this volume compares Moravian economic practice in three different mission settings to demonstrate how Moravian practices evolved during the 18th century as part of a globalizing world and economy Delivering in depth analysis of the far reaching and deep seated effects of missionary activity on indigenous communities and social relations it explores how different economic contexts had an impact on the missionaries relations with Indigenous and slave populations in empire Petterson provides an insight how the missionaries worked lived among various non European peoples and how they organised themselves and their surroundings at a time of changing identities and socio economic change Analysing how missionary practice developed over this period it also demonstrates how the Moravian leadership s priorities and how this affected attitudes to non European peoples on the ground Standing outside of national and imperial boundaries and ambivalent about the political notion of imperialism as well as colonisation itself Moravian missionaries nonetheless functioned in parallel with colonial structures and were part of a broadly culturally colonial mission So even on the outskirts of imperial organisation they were often a crucial part of colonial practice and took part in normalising capitalist relations in many but not all settings as this book demonstrates *Report on Japan and China of the Deputation Sent by the Board of Foreign Missions of the Presbyterian Church in the U.S.A.* Robert Elliott Speer,1927 Annual Report - American Board of Commissioners for Foreign Missions American Board of Commissioners for Foreign Missions,1881 **History of the Missions of the Methodist Episcopal Church** William Peter Strickland,1850 **The Story of the American Board** William Ellsworth Strong,1910 The Missions and Missionaries of California: Upper California Zephyrin Engelhardt,1913 *Annual Report of the American Board of Commissioners for Foreign Missions* American Board of Commissioners for Foreign Missions.
