

## [Descriptive Essay About Spring](#)

Spring is such a wonderful and joyful season. The air begins to warm, and the temperature rises slowly. Not only that, but the days seem to be getting longer as well. As the snow begins to melt in northern America, the lovely flowers begin to bud and the flies begin to come out. The tree buds starts greening and preparing itself to grow. The air smells different as opposed to [winter](#), it smells fresh and alive. Spring wraps up winter, and leads on to the hot and humid [season](#) called summer. Spring is the season that prepares itself for the next season, as forestry is starting to grow and thrive. The animal kingdom also uses spring to mate. The bears that were hibernating no longer have to hibernate. The smell of freshly cut grass also goes through the warm spring air.

The grouchy people of winter also start to become happy again. Most people dislike winter as it cold and the driving condition are not great. However in spring, everything is having life, or coming back to life; as well as their spirits. Spring is finally the time where people can finally eat outside, open up the window to let fresh air in. Nothing is better than seeing the neon green trees and grass shining through the low amounts of snow that might still be left behind by Mother Nature. The farming trade also begins in spring; the farmers begin to plant their vegetables so they can harvest them when the time is right. Spring also has a very nice holiday, Easter. Families gather at each other's houses and
