Iskin,Britany Salsbury,2019-12-12 Why did collectors seek out posters and collect ephemera during the late nineteenth and the twentieth centuries How have such materials been integrated into institutional collections today What inspired collectors to build significant holdings of works from cultures other than their own And what are the issues facing curators and collectors of digital ephemera today These are among the questions tackled in this volume the first to examine the practices of collecting prints posters and ephemera during the modern and contemporary periods A wide range of case studies feature collections of printed materials from the United States Latin America France Germany Great Britain China Japan Russia Iran and Cuba Fourteen essays and one roundtable discussion all specially commissioned from art historians curators and collectors for this volume explore key issues such as the roles of class politics and gender and address historical contexts social roles value and national and transnational aspects of collecting practices The global scope highlights cross cultural connections and contributes to a new understanding of the place of prints posters and ephemera within an increasingly international art world The Poster Ruth E. Iskin,2014-10-07

The Poster Art Advertising Design and Collecting 1860s 1900s is a cultural history that situates the poster at the crossroads of art design advertising and collecting Though international in scope the book focuses especially on France and England Ruth E Iskin argues that the avant garde poster and the original art print played an important role in the development of a modernist language of art in the 1890s as well as in the adaptation of art to an era of mass media She moreover contends that this new form of visual communication fundamentally redefined relations between word and image poster designers embedded words within the graphic rather than using images to illustrate a text Posters had to function as effective advertising in the hectic environment of the urban street Even though initially commissioned as advertisements they were soon coveted by collectors Iskin introduces readers to the late nineteenth century iconophile a new type of collector curator

archivist who discovered in poster collecting an ephemeral archaeology of modernity Bridging the separation between the fields of art design advertising and collecting Iskin s insightful study proposes that the poster played a constitutive role in the modern culture of spectacle This stunningly illustrated book will appeal to art historians and students of visual culture as well as social and cultural history media design and advertising Posters in Action Giorgio Miescher,Lorena Rizzo,Jeremy Silvester,2009 Political Posters in Central and Eastern Europe, 1945-95 James Aulich,Marta Sylvestrová,1999 Publikacja towarzyszy ca wystawie Sign of the times Manchester Metropolitan University 17 11 1999 31 01 2000 *Game of Thrones: The Poster Collection, Volume III* Insight Editions,2017-06-06 This dynamic poster book joins Insight Editions hugely successful Game of Thrones The Poster Collection series with forty new posters from seasons five and six Rediscover the iconic imagery of HBO s Game of Thrones with this poster collection featuring stunning images from the award winning series fifth and sixth seasons The collection includes beautiful portraits of key characters including Jon Snow Daenerys Targaryen and Tyrion Lannister as well as exquisitely designed marketing art Each poster is easy to remove and frame and is perfect for display Official HBO Licensed Product 2017 Home Box Office Inc All Rights Reserved HBO and related trademarks are the property of Home Box Office Inc *WPA Posters in an Aesthetic, Social, and Political Context* Cory Pillen,2020-03-09 This book examines posters produced by the Works Progress Administration WPA a federal relief program designed to create jobs in the United States during the Great Depression Cory Pillen focuses on several issues addressed repeatedly in the roughly 2 200 extant WPA posters created between 1935 and 1943 recreation and leisure conservation health and disease and public housing As the book shows the posters promote specific forms of knowledge and literacy as solutions to contemporary social concerns The varied issues these works engage and the ideals they endorse however would have resonated in complex ways with the posters diverse viewing public working both for and against the rhetoric of consensus employed by New Deal agencies in defining and managing the relationship between self and society in modern America This book will be of interest to scholars in design history art history and American studies **Supernatural: The Poster Collection** Insight Editions,2016-09-20 Featuring forty high quality removable posters Supernatural The Poster Collection contains a range of exciting imagery of Sam and Dean Winchester Castiel Crowley and exciting scenes from the hit television show Take part in the epic adventures of Sam and Dean Winchester with this unforgettable collection of forty high quality removable posters Covering all eleven seasons of the hit show this poster book features imagery of Castiel Crowley the Ghostfacers and many more Also featuring iconic scenes and key art from each season this ultimate compendium is a necessity for hunters everywhere *Coloring Book and Poster Collection* DestinytPE Coloring,2019-12-28 COLORING BOOK COMBINE WITH POSTER COLLECTION FULL COLOR PHOTO BOOK 20 pages for coloring 20 removable postersContent included 1 Destiny Visit Mi Web For More Designs Follow In Instagramfa Action Movies2 Destiny Visit Mi Web For More Designs Follow In Instagramfa Action Movies3 Destiny Visit Mi Web For More Designs Follow In Instagramfa Action Movies4

Political Posters in Central and Eastern Europe 1945-1995 James Aulich, Marta Sylvestrova, 1999 The political poster was one of the most widely discredited and closely policed aspects of cultural life in the former communist bloc The poster s history is a story of aesthetic political and finally national liberation This comprehensively illustrated comparative analysis of political poster design drawn from major collections in Belorussia Croatia Czech Republic Germany Hungary Latvia Lithuania Poland Russia Slovenia and the Ukraine exemplifies the aesthetic diversity of the region under communist rule *Power, Legitimacy and the Public Sphere* Amin Sharifi Isaloo, 2017-04-28 A ground breaking study of political transformations in non Western societies this book applies anthropological sociological and political concepts to the recent history of Iran to explore the role played by a ritual theatrical performance Ta ziyeh and its symbols on the construction of public mobilisations With particular attention to three formative phases the 1978 79 Islamic Revolution the 1980 88 Iran Iraq War and the 2009 Green Movement the author concentrates on the relations between symbols of the ritual performance and the public sphere to shed light on the ways in which the symbols of Ta ziyeh were used to claim political legitimacy Thus the book elucidates how symbols and images of a ritual performance can be utilised by tricksters such as political actors and

fanatical religious leaders to take advantage of the prolongation of a state of transition within a society and so manipulate the public in order to mobilise crowds and movements to fulfil their own interests and concerns An insightful analysis of political mobilisation explained in terms of a set of interrelated master concepts such as liminality trickster and schismogenesis Power Legitimacy and the Public Sphere integrates theoretical empirical and diagnostic perspectives in order to investigate and illustrate links between the public sphere and religious and cultural rituals As such it will appeal to scholars of sociology politics and anthropology with interests in social theory public mobilisations and political transformation *Pioneer*
