Book Synopsis

Neale Donald Walsch's introduction to Conversations with God (CWG), Book 1, the first book of the CWG trilogy, Mr. Walsch was told that Book 2 "would deal with more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world." And yet there is even more in this Book 2 - more about God, about life and death, relationships, good and evil, money, education, and spirituality. What is proposed here is nothing less than a paradigm shift to change the political and spiritual constructs that human beings have manifested on this planet: "Now is the time to reclaim yourself. Now is the time to see yourself again as Who You Really Are, and thus, render yourself visible again. For when you, and your true relationship with God, become visible, then We are indivisible. And nothing will ever divide Us again." ~ Neale Donald Walsch on the back cover of Conversations with God Book 2 - and this Guidebook for adults, endorsed by Mr. Walsch and the global team of education leaders of the new spirituality comprising the School of the New Spirituality learning communities across the planet.
