Conversations With Ram Dass Interviewed By Sridhar Silberfein:

Conversations with Ram Dass Ram Dass, 2014-09-01 Since Bhakti Fest's inception Ram Dass has made an annual appearance through exclusive interviews with founder Sridhar Silberfein who travels to Maui each year and films their conversations. Known for their humor, inspiration, and unmasked devotional attitude, these videos have been a highlight of the festival for the past six years. Transcribed for print and edited by Amy V Dewhurst, author of *Heartbreak Yoga* with a forward by notable kirtan artist Krishna Das, these illuminating conversations are presented in ways that are relatable to the Western yogi, no matter their level of practice or experience with yoga and Eastern spirituality. **Being Ram Dass** Ram Dass, Rameshwar Das, 2021-01-12 Ram Dass lived a full life and then some. His final statement is thorough and yes, enlightening. Kirkus Reviews: Perhaps no other teacher has sparked the fires of as many spiritual seekers in the West as Ram Dass. If you've ever embraced the phrase "be here now," practiced meditation or yoga, tried psychedelics, or supported anyone in a hospice, prison, or homeless center, then the story of Ram Dass is also part of your story. From his birth in 1931 to his luminous later years, Ram Dass saw his life as just one incarnation of many. This memoir puts us in the passenger seat with the one-time Harvard psychologist and lifelong risk taker Richard Alpert, who loved to take friends on wild rides on his Harley and test nearly every boundary, inner or outer, that came his way. Being Ram Dass shares his life's odyssey in intimate detail: how he struggled with issues of self-identity and sexuality in his youth, pioneered psychedelic research, and opened the doorways to Eastern spiritual practices. In 1967, he trekked to India and met his guru, Neem Karoli Baba. He returned with a perspective on spirituality and psychology that changed millions. Featuring 64 pages of color photographs, this intimate memoir chronicles the cultural and spiritual transformations Ram Dass experienced that resonate with us to this day: a journey from the mind to the heart, from the ego to the soul. Before, after, and along these waypoints, readers will encounter many other adventures and revelations, each ringing with the potential to awaken the universal, loving divine that links us to this beloved teacher and all of us to each other. *Shree Gurudev-vani*, 1971 Remarkable Encounters with Ram Dass, 2012-02-01
