throughout his schooling that I felt really understood him She knew how to work with him to help him achieve his best
potential to feel cared about and accepted at school Her skills knowledge and abilities along with her compassion for her
students made her an outstanding teacher She was unforgettable to her students and their parents alike Home Schooling
During COVID 19 and Beyond is a treasure trove of information parents and grandparents can use to achieve the same
success with their children She has pulled from her first book *The Conscious Teacher* written primarily for teachers what she
thinks will be of the most help to parents She has added some new information as well The book's sections on behavior
standards and working with gifted students are especially helpful as a parent and now as I work with my grandkids as they
school at home The advice on how to teach the various subjects of reading writing math social studies and computer skills is
invaluable I have greater confidence to help the kids learn at home regardless of whether they are primarily learning
remotely or in a classroom this book gives you the tools to enrich their learning Sue Woods Mediator Facilitator Consensus
