

# THE COMPLETE GUIDE TO WRITING A NOVEL

## STORY PLANNING

### THE TITLE

- Create a working title that clearly states the genre
- Check online to see if this title has been used before and in which genre.

### PLOT

- Spend time on the premise so that it is as compelling as possible. For commercial fiction there should be a great hook to the central idea. E.g. Would you kill your wife to save your child?
- Write down ONE main story question which will be answered by the end of the novel. Was the heroine found love? Will the detective discover who the real killer is?

### STORY LENGTH

- Novella: Usually 20,000 to 40,000 words
- Short Novel: 45,000 to 60,000 words
- Novel: 60,000 to 80,000 words
- Saga: 80,000 to 120,000 words

### HOW TO FIND STORY IDEAS

- Reading in your genre
- Reading other genres and lateral thinking
- Movies
- TV shows
- Conversations
- News and Magazines
- Anecdotes
- Personal experience
- Dreams

### COLLECT STORY IDEAS

- Take a notebook with you
- Keep a folder of ideas
- Use your phone to take images
- Record ideas on your phone.

### DEVELOP AND EXPAND ON THE STORY IDEA

- What central question does the main idea pose?
- How can you expand that to several levels for secondary characters?
- What is at stake for the main character?
- Why should a reader care about that issue?
- Is there a central dilemma that will drive the story?

## CHARACTERIZATION

### NAMING THE MAIN CHARACTER

The name must match:

- the historical period of the story. E.g. Victorian English vs ancient Egypt.
- the subgenre niche of this story. E.g. Paranormal romance vs Chick Lit.
- the gender of this character
- the social status of the character. E.g. Upper class, middle class, working class
- be regional specific. E.g. Scandinavian vs Indian vs Italian.
- the ethnic background of this character.
- be memorable
- fit the context of the story
- be catchy and easy to remember

**Story Virality** Monica Leonelle, 2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren't always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here's the thing your back catalog is not dead weight You worked hard on your book or series and there's no reason you can't get it selling better Without having to write to a trend you're not passionate about Without having to add in tropes that don't make sense Without having to hire another editor editors can't fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that's selling right now Editing

For Marketability is new and different It s an advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a framework with six virality factors that helps you see where your book has marketing hooks and where it doesn t I teach you how to improve your marketability under each factor so you get to choose I also teach you how you can better emphasize the various hooks you already have in your book if you ve already published and don t have time for a full edit You can use this framework to Make sure your next release is written to market Fix an underperforming first in series or other reader magnet so your series starts selling better Build a breakout book from the ground up to bring visibility to your entire catalog You became a creative to express yourself and share your stories Editing For Marketability helps you connect to a larger audience without sacrificing your characters plot or autonomy over your work *AI For Teachers Book 8:*
